VIRTUAL HIGH SCHOOL ACADEMY

Virtual High School (VHS) Academy is designed for rising 9th through current 12th grade students. VHS Academy provides secondary students with the opportunity for online learning. Students may earn up to one (1) original credit and two (2) repeat credits. Seniors may take additional original credit courses to meet graduation requirements. A computer lab will be available onsite during Summer Academy hours (8:00 a.m. – 12:00 p.m., Monday – Thursday) for students who need a more structured environment to complete online coursework. Semester math may be taken as .5 original or repeat credit (credit recovery). Each original full-credit course is 140 online instructional class hours, and semester courses are 74 online instructional class hours. Credit recovery is an online course for students who have completed the seat hours of a course and must repeat the course. Credit recovery provides an opportunity for students to demonstrate mastery of the content.

- Credit cannot be awarded to students who fail to complete the required hours of online instruction.
- Parents who wish to enroll their child in this academy must contact their child's school counselor to complete the online registration.
- Driver Education/Behind-the-Wheel instruction is not offered.
- There are no exam exemptions during Summer Academy.
- **Courses with low enrollment may not be offered.**
- Students participating in International Baccalaureate Program may not take courses in **VHS Summer Academy** except Health/Physical Education 9 or 10.
- Tuition for a **Virtual High School Academy** one credit course is \$550 and \$300 for .5 original credit course for York County residents and non-residents. York County residents should make checks payable to the school where registration is completed.
- Non-residents should contact Reginald Fox (898-0454) or Kristin Wood (833-2148) for registration information. Tuition must be paid in full at the time of registration.
- If a course is cancelled or a student withdraws from **Virtual High School Academy** prior to the start of classes, a refund of tuition will be made by June 28.

Virtual High School Academy On-Site Lab

Taking your Virtual class at the high school in a computer lab

In the Virtual High School (VHS) Academy we have created another opportunity for students to complete their virtual courses. We have provided a structured environment where the student reports to a computer lab at the Summer Academy between 8:00 a.m. to 12:00 p.m, Monday through Thursday. Students may take advantage of transportation provided by the York County School Division (see page 10).

Our structured environment includes a mentor who is an experienced teacher and is assigned to work with, and monitor progress and participation of the online students in the computer lab. The mentor can help students navigate the Learning Management System, Moodle, and help students communicate with their online teachers. Students work each day, Monday through Thursday to complete required assignments in their virtual courses in the lab at the Summer Academy location. Students will be required to complete assignments for Friday of each week from home. *Blackboard Collaborate* sessions scheduled by the online teacher during lab times are required and will be posted weekly. Attendance is required Monday through Thursday from 8:00 a.m. to 12:00 p.m. Students will continue their coursework at home on Friday. Students are required to login daily to complete coursework.

Taking your Virtual class at home

As a student in the **Virtual High School (VHS) Summer Academy**, coursework is completed each day in the comfort of the student's home, **Monday through Friday** during times that are convenient to their schedule courses. *Blackboard Collaborate* sessions scheduled by the online teacher are required and will be posted weekly. The student will review instructional interactive materials, complete assignments, and communicate with their online teacher daily. Students are required to log into their online course daily.

VIRTUAL HIGH SCHOOL ACADEMY

Full Year courses offered in *Virtual High School Academy* for original credit or repeat credit (credit recovery) include the courses listed. The tuition for original credit is \$550.00, and the tuition for credit recovery is \$450.00 for York County residents and \$500.00 for non-resident students for a yearlong class.

Registration

- Students may earn up to 3 credits, one (1) course for original credit and no more than two (2) courses for repeat credit. Seniors may earn additional original credits to meet graduation requirements. Credits must be verified on the registration form.
- Students currently enrolled in the York County School Division may register for *Virtual High School Academy* at their home school through June 8. Students who have not registered by June 8 must register Tuesday, June 19, from 8:00 a.m. – 4:00 p.m. or Wednesday, June 20, from 8:00 a.m. to 12:00 p.m. at Grafton High School. **NO REGISTRATIONS WILL BE ACCEPTED AFTER JUNE 20.**
- Non-resident students may register on a space-available basis. Non-resident students must submit a completed Out-of-Division Student Information Form signed by the principal of their home school.
- No refund of tuition will be made if a student is dismissed for disciplinary reasons or for excessive “virtual absences” (lack of daily login and participation).

VIRTUAL HIGH SCHOOL ACADEMY (CONT'D)

Technology

- Students who enroll in *Virtual High School Academy* are required to have their own computer with Internet and email access. Daily login and at least 4 hours of active participation per day is required. Access is provided at both of the York County public libraries.
- Students and parents are required to have valid email addresses.

Content Management—Students use a web-based learning management system called *Moodle*. The courses in *Moodle* are organized in content blocks, making material easily accessible for students. The main components of a VHS course are:

- **Announcements**—Welcome, communication of current information
- **Calendar**—Important activities and due dates
- **Content Blocks**—Content is separated into units or modules and listed in blocks in the center of the course main page.
- **Instruction**—Course instruction includes a variety of activities and resources that are found in the content blocks and also organized and linked in the Activities block on the left of the screen.

Communication—On-going communication is essential in an online learning environment. Students and instructors have various tools for online communication, including:

- **Forums**—Discussion forums that allow for asynchronous communication. Participants discuss course content, ask questions, and reply to discussion prompts. Discussion threads are also emailed to students and instructors.
- **Messaging**—Messaging allows for instant communication between users who are online at the same time. Messages are sent via email when a user is not online.
- **Blackboard Collaborate**—These sessions are synchronous online class meetings that include instant messaging, live audio, and an electronic whiteboard with desktop and file sharing abilities.

Attendance

- No online absences are permitted during the *Virtual High School Academy*. Failure to login daily constitutes an online absence.
- Credit cannot be awarded to students unless all requirements of the *Virtual High School Academy* course are fulfilled by July 26, 2018.
