

Citrix for Mobile Devices

Download and install the **Citrix Receiver** Application from app store for mobile device

Use below basic settings for configuration:

Server/Address: go.ycsd.york.va.us

Description: Any name (such as: York County School Division)

User Name: YCSD Username or Student ID (such as: ghsteacher or 123456)

Password: YCSD/YSTU Password (the password used to log in to a division-owned computer)

Domain: YCSD for Staff; YSTU for Students

No other settings (RSA SecurID® or Security Tokens) are required.

Launch the **Citrix Receiver** application from device to use
