

ENROLL NOW!

At Champions, we help children grow and encourage independence by allowing them to choose their own learning activities, work in groups, and stay active. They can learn with their friends by doing activities related to math and construction, playing games and puzzles, making arts and crafts, or take a break and read a good book on their own.

Our fun and varied program is made up of hands-on activities that give your child the opportunity to continue learning all summer long. With field trips and a new theme to explore bi-weekly, moments of discovery happens every day!

Don't wait! Open spaces in the program will fill up quickly. Please also tell your friends and family members that our Summer Break program is open to all families—even those who don't attend Champions during the normal school year. Come for one week or all summer long—whatever works for your family!

Give your child the opportunity to spend summer break learning, developing independence, and building friendships, all at the same time!

DATES: Monday – Friday 6:00am - 6pm **RATES:** Daily Rate: \$39/ Wkly Rate: \$195
