Jamestown Settlement, a museum of 17th-century Virginia history and culture, tells the story of America's first permanent English colony and the cultures of the Powhatan Indians, Europeans and Africans who converged in 1600s Virginia, through film, gallery exhibits and outdoor living history.

Jamestown Settlement is located on State Road 31 South near the Colonial Parkway. From Interstate 64, take Exit 242A (Route 199) toward Williamsburg and Jamestown.

At the Yorktown Victory Center, a museum of the American Revolution, exhibits, film and participatory activities transport visitors from the beginnings of colonial unrest to the formation of the new nation. Outdoors, a re-created Continental Army encampment and Revolution-era farm present daily lives of soldiers and civilians.

The Yorktown Victory Center is located on Route 1020 near the Colonial Parkway in Yorktown. From Interstate 64, take Exit 247 to Yorktown.

These children's programs are funded in part by the Junior Woman's Club of Williamsburg. These materials are neither sponsored nor endorsed by the York County School Division or this school.
