

York Foundation for Public Education, Inc.

| *Enhancing a **Tradition of Excellence**
in the York County School Division*

WHAT IS YFPE?

York Foundation for Public Education, Inc. is a nonprofit organization that works collaboratively with businesses and community members to support public education in York County by leveraging resources to promote innovation and excellence within each school.

WHAT DOES IT SUPPORT?

Funding from the foundation enhances the quality of our schools by granting funds to students and teachers who demonstrate excellence and innovation. These grants fund programs that would not ordinarily be available to teachers and students.

HOW CAN I HELP?

Support YFPE through one of the methods below, or donate your time by helping with an event. Students can also volunteer and earn their community service hours at the same time.
