

Advanced Placement (AP) Exam Reimbursement

- * YCSD presently requires all students enrolled in AP classes to take the AP exam to earn credit for the course (Policy 9.19)
- * Last year, Attorney General Cuccinelli rendered an opinion stating that "a local school board cannot impose a mandatory fee on students taking advanced placement courses for the required taking of the Advanced Placement Examination".
- * **\$175,000** budgeted in FY12 to cover this cost
- * By eliminating the AP Exam as a mandatory requirement for earning credit in an AP course, the division could cut \$175,000 from the budget
