Help Your Child Succeed in School!

Did You Know?
Attending school each day helps children feel better about school and themselves. Help your child get into the habit of good attendance by being on time, every day.

What You Can Do
• Work with your child to create goals for the year and affirm him/her when goals are accomplished.
• Ask your child to tell you about his/her day…..every day.
• Establish routines that make getting to school on time easier for your child, and you.
• Limit time missed for family trips and activities.
• Contact the school when your child is out, and send a note about the absence when he/she returns.
• Get to know who’s who at your child’s school. Attend parent-teacher conferences to find out how things are going, and keep in touch with your child’s teachers.
• Get involved: volunteer and/or join your school’s parent/teacher organization.

*Schools and Offices Closed
Welcome

Dear Parents/Guardians and Students:

Welcome to the 2019-20 school year!

The York County School Division strives to engage our students in mastering the skills and knowledge needed to make productive contributions in the world. We believe that students, parents/guardians, and staff can collaborate in a safe and productive school environment that offers rigorous educational opportunities. The Student Handbook and Conduct Code provides information and policies that will support our partnership with you.

In addition to calendars, school hours and directory information, the Student Handbook and Conduct Code provides brief descriptions of the program offerings that are available in the division as well as information on division policies. If you would like additional information on programs or policies, ask your school office staff or visit our website at www.yorkcountyschools.org.

A significant portion of the Student Handbook and Conduct Code is dedicated to the division’s conduct code. Please review this section with your child so that he or she is aware of the division’s expectations for student behavior.

Additionally, in the back of the Student Handbook and Conduct Code are three forms that must be completed and signed by all parents/guardians and students. Please return these forms to your child’s school by the dates indicated on each form.

I wish you and your child a successful and memorable school year. Thank you for your continued support of York County schools!

Sincerely,

Victor D. Shandor, Ed.D.
Division Superintendent

STUDENT HANDBOOK

Alternative Programs
Reference: School Board Policy IGBG, IGBGA and IGBH
The York County School Division (YCSD) utilizes several alternative programs. A student may be assigned to an alternative program subject to the approval or recommendation of the division superintendent.

At the secondary level, a student may have the opportunity to participate in Virtual High School, the Learning Center, in classes at Enterprise Academy, or alternative offerings through the adult education program. Students completing graduation requirements at Enterprise Academy receive their high school diploma through YCSD.

Attendance
Reference: School Board Policies JEA, JEC, JED and IUY
Regular attendance has a significant impact on a student’s academic success. Attendance patterns are formed early in life, so attendance should be a priority for parents starting in kindergarten. Students who develop good attendance habits are more successful in school. YCSD wants all students to be successful so the expectation is that students attend school every day.

To comply with the Code of Virginia § 22.1-254, any child who will have reached the 5th birthday on or before September 30th of any school year and who has not passed the 18th birthday is expected to attend school every day and be on time.

Excused Absences
Parents/guardians are requested to call the school if their child is going to be absent. Parents/guardians are responsible for providing the school with a note (within 72 hours) indicating the reason(s) for the absence. Legitimate reasons for absences are illness (including mental health and substance abuse illnesses), death in the family, funeral, legal obligations, suspensions, religious observances, military obligations, injury, medical procedures, doctor or dental appointments (not possible to be scheduled on non-school time), and/or exceptional circumstances as determined by the building principal.

Exceptional Circumstances
Parents/guardians should discuss with the building principal any absence, which the parent/guardian believes constitutes exceptional circumstances. In such event, the building principal shall make the final decision whether the absence is excused or unexcused.

Make-up Work
When requesting make-up work, parents/guardians should give teachers 24 hours’ notice to have the child’s assignments prepared for take homework. At least one (1) day will be allowed for make-up work for every day of excused absence. Failure on part of the student to complete make-up work on time will result in the student receiving a lowered grade on the assignment. Students are not allowed to make up any daily work or quizzes missed during unexcused absences or unexcused tardies. Students may be given credit for extended assignments with a due date that occurs during an unexcused absence. Extended assignments include, but are not limited to, research papers, essays, book reports, projects, tests and quarterly assessments. To comply with the Code of Virginia § 22.1-254, the school will attempt to telephone a student’s home to verify absences. Parents/guardians are encouraged to notify the school when a student is absent or tardy.

Unexcused Absences
Any absence from school that is not documented by parent/guardian or doctor’s note is considered unexcused. Any absence not defined under the before mentioned excused absence section is considered an unexcused absence. If a student accrues more than ten (10) absences, which is considered excessive, and does not provide a doctor’s note or specific documentation from the institution requiring the student to miss school, the absence is considered an unexcused absence (exceptions to this
regulation can be determined by the building principal upon collaboration with the school division’s attendance officer).

If a student accumulates excessive (ten (10) or more) absences, a physician’s note may be required. At least one (1) day will be allowed for make-up work for every day of excused absence. If a student is absent due to the observance of a religious holiday, the absence will be recorded as excused on the student’s attendance record. That student cannot be deprived of any award or eligibility or opportunity to compete for any award or of the right to take an alternate test or examination, for any time missed due to the observance of a religious holiday.

Evidence of a court appearance or a medical appointment should be presented to the principal for administrative review upon the student’s return to school.

**Compulsory Attendance Law**

To comply with the Code of Virginia § 22.1-258, having more than five (5) unexcused absences could result in a complaint being filed with the York County Juvenile and Domestic Relations Court. Court action could result in suspension of the driver’s license of any minor who has had ten (10) or more unexcused absences from public school on consecutive school days (Code of Virginia § 46.2-334.001).

In accordance with state regulations, fifteen (15) days of consecutive absences will result in withdrawal of the student from the attendance roll.

Parents/guardians will receive written notification from the school when a student has accumulated five (5) unexcused and ten (10) total absences. An accumulation of five (5) unexcused absences will result in a referral to the school division’s attendance officer, and, if an additional unexcused absence occurs, the attendance office and parents/guardians will be required to participate in the development of a plan to improve the student’s attendance. Continued unexcused absences may result in a referral of the parent/guardian to court.

Parents/guardians should discuss with the school principal any absence, which the parent/guardian believe constitutes exceptional circumstances. In such event, the principal shall make the final decision as to whether the absence is excused or unexcused.

**Tardiness to School** – Students are expected to be in their first class on time. If tardy, students should bring a note from a parent or guardian indicating the reason for the tardiness, sign in and secure a tardy slip from the attendance office. The determination of whether the tardy is excused or unexcused will be determined by school administration.

**Early Dismissal** – Students should bring a note from a parent or guardian indicating the reason for the early dismissal, sign out in the office, and sign back in when they return. Parents/guardians should report to the school office to sign a student out of school during regular school hours.

**Effects of Absence on High School Credits**

**BLOCK CLASSES**
- Absences that exceed eight (8) days from one class are considered excessive.
- When absences in a class reaches five (5) days (or two (2) days in a half-credit class), the school will mail notification to the parent or guardian.
- When absences in a class reaches eight (8) days (or four (4) days in a half-credit class), a second notification will be mailed to the parent or guardian.
- Make-up work for absences in excess of eight (8) days will be permitted only if extenuating circumstances are documented. The following are considered to be extenuating circumstances:
  1. Prearranged absences approved by the principal.
  2. Natural disaster affecting home (e.g., fire, flood).
  3. Recent death in immediate family.
  4. Serious illness or illness in immediate family as documented by a physician’s note.
- The inability to make up work based on excessive absences may result in a failing grade and denial of high school credit.

**SINGLE PERIOD (NON-BLOCK) CLASSES**
- Absences that exceed fifteen (15) days from one class are considered excessive.
- When absences in a class reach ten (10) days (or four (4) days in a semester class), the school will mail notification to the parent or guardian.
- When absences in a class reach fifteen (15) days (or seven (7) days in a semester class), a second
notification will be mailed to the parent or guardian.

- Make-up work for absences in excess of fifteen (15) days will be permitted only if extenuating circumstances are documented. The following are considered to be extenuating circumstances:
  1. Prearranged absences approved by the principal.
  2. Natural disaster affecting home (e.g., fire, flood).
  3. Recent death in immediate family.
  4. Serious illness or illness in immediate family as documented by a physician’s note.

- **The inability to make up work based on excessive absences may result in a failing grade and denial of high school credit.**

### Awards and Recognitions

All elementary students have the opportunity to gain recognition during the school year by achievement in classroom, grade-level, school, county, local, state, and national activities. Announcements about activities, programs, and competitions are made throughout the school year. Students are recognized at award assemblies in each school. The Presidential Award for Educational Excellence is given to grade five (5) students who are being promoted to middle school. The criteria for receiving this award includes a G.P.A. of 3.5 and a total achievement score at the 85th percentile or higher on a standardized achievement test.

At the secondary level, outstanding student achievement is encouraged and recognized by an award system in each school and in the division. Performance of high quality in academics, the visual and performing arts, career/technical areas, citizenship (or leadership), and athletics is recognized through certificates, medals, trophies, letters, pins, diploma seals, and/or similar awards. Announcements, assemblies, or banquets are conducted to note special student achievement.

Scholarships are actively sought for graduating seniors who plan post-secondary education. Programs, activities and competitions are specified and announced in each school. The following list includes examples of awards and recognitions:

- Academic Challenge
- Mathematics Competitions
- Great Computer Challenge
- Scholarship Competitions
- National Honor Society
- Odyssey of the Mind
- Career/Technical Ed Competitions
- Athletics
- Art Contests
- Forensics
- Science Fairs
- Governor’s School
- Debate
- One-Act Plays
- Boys State/Girls State

**Bicycles**

The York County School Board permits, but does not advocate, the riding of bicycles to school by students. The riding of bicycles is permitted at Bethel Manor Elementary, Coventry Elementary, Mt. Vernon Elementary, Grafton Middle, Queens Lake Middle, Tabb Middle, and Grafton High, and only if parents/guardians have provided written permission to the principals of these schools.

**Child Abuse**

The law protects children up to 18 years of age from extreme mistreatment at home. It requires that “...any teacher or other person employed in a public or private school...” report cases of suspected child abuse and neglect. School employees must report the suspected case of child abuse to Child Protective Services. Social workers then investigate the matter. If Social Services finds that parents/guardians are not adequately caring for their children, they provide assistance to try to correct the situation. It is important for students and parents/guardians to know this process because the main purpose of the law is to prevent the abuse and neglect of children rather than to punish anyone. Students should report what they believe to be cases of abuse or neglect to a counselor, teacher or principal.

**Child Find**

REFERENCE: 8 VAC 20-81-50

Child Find is a component of the Individuals with Disabilities Education Act (IDEA). YCSD implements on-going and continuous strategies to identify, locate, and evaluate children residing or parentally placed in private schools (including those that are home-
schooled or home-tutored) within its jurisdiction who are ages two (2) through twenty-one (21) and are in need of early intervention or special education and related services. YCSD provides screenings and/or evaluations for children who are suspected of having a developmental delay or disability. Please contact the administrator at your child’s neighborhood school for additional information.

**Children’s Internet Protection Act (CIPA)**

The Children’s Internet Protection Act (CIPA) is a federal law enacted to address concerns about access to offensive content over the internet on school and library computers. This law applies to all schools that receive e-rate funds from the U.S. Department of Education. YCSD has software in place designed to filter inappropriate content from the internet that may be harmful to minors.

**Contact Lenses**

To help ensure eye safety for contact lens wears, **it is imperative that the school be notified if students use contact lenses**. Parents/guardians should notify the school health services provider in writing at the time of the registration for new students, during the first week of school for returning students, or as soon as a student begins to wear contact lenses.

**Counseling Services**

**Reference: School Board Policy KEB**

The York County School Board affirms that parents/guardians are a student’s first teachers, and public schools should serve to strengthen family and parental support. YCSD offers counseling services to all students in grades kindergarten through 12. Counselors work closely with parents/guardians and school personnel to find and remove barriers to student learning. Parents/guardians are encouraged to contact a school counselor to discuss concerns or ask questions about their child’s school experience. School counselors provide services in three (3) major areas: academic counseling, career counseling and personal/social counseling.

**Academic Counseling**

School counselors help students and parents/guardians learn about available curricula choices, plan a program of studies, arrange and interpret academic testing, and seek post-secondary academic opportunities.

All 10th grade students in YCSD take the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) at no cost to the student. The test is administered on a regular school day. The PSAT/NMSQT provides excellent feedback on personal achievement in mathematics and verbal skills and provide a free score report for students to evaluate themselves in these important subject areas. Students will also have the opportunity to pay required fees, register and retake the PSAT/NMSQT during their junior year. Students who achieve strong scores on this exam during their junior year are eligible for the National Merit Scholarship Program, a corporate-sponsored program that provides college scholarships to college-bound students. NMSQT semifinalists can receive finalist recognition and scholarship awards based on an application and their SAT scores, which must be comparable to their PSAT/NMSQT scores. For more information regarding this program or to register for these examinations, contact high school counselors.

**Career Counseling**

Counseling services help students acquire information and plan action about work, apprenticeships and post-secondary educational and career opportunities. Beginning in the elementary school years, students explore the different occupations associated with career clusters. Students begin the development of an Academic and Career Plan Portfolio to include information about interests, values such as dependability and responsibility, and skills supporting decisions about their future interest and goals. Students in grades 3 through 11 will participate in a variety of career exploration activities. Students at the secondary level will complete interest inventories and career assessments. Additionally, opportunities will be provided for students to explore career options. Emphasis will be placed on helping students make connections between academic strengths and career goals.

Career Mentorship is one of several opportunities offered as a class to high school juniors and seniors who wish to gain experience in the world of work. The mentorship program matches qualified students with community members who work in an area of career
interest to the student. The non-paid, work-based experience allows students to apply knowledge, develop skills and see a strong work ethic in practice. The mentorship experience is coordinated by a high school teacher.

PERSONAL/SOCIAL COUNSELING

- Counseling assists students in developing an understanding of themselves, the rights and needs of others, how to resolve conflict, and how to define individual goals that reflect their interests, abilities and aptitudes. Such counseling may be provided either in groups in which generic issues of social development are addressed or through structured individual or small group, multi-session counseling which focuses on the specific concerns of participant(s).
- Throughout the year, parents/guardians may contact their child’s school to review materials and discuss services provided by school counseling staff. Requests by parents/guardians to change their child’s participation in personal/social counseling services must be provided in writing to the principal of the student’s school.

Custodial Documents

Parents/guardians who have custodial documentation for their child are requested to provide a copy to the school’s main office upon registration of their child, and when/if changes are made to the custodial document.

Discrimination, Harassment and Sexual Misconduct

(TITLE IX) POLICIES

The York County School Board is committed to maintaining an educational environment and work place that are free from discrimination, harassment and sexual misconduct. School Board Policy Files GB, GB-F, GBA/JFHA, GB-F/JFHA-F, which are attached to this handbook as appendices (see Appendices A through D), outline the division’s commitment and procedures for the reporting and handling of complaints.

English Learners (EL) Program

Students who qualify as English Learners (EL) will be provided with instructional services that are based on the student’s identified academic needs. EL teachers will use the YCSD curriculum and World-Class Instructional Design and Assessment (WIDA) English Language Proficiency (ELP) Standards and the student’s EL Instructional Plan to drive their instructional decisions and planning for EL services.

Enrollment Requirements

REFERENCE: SCHOOL BOARD POLICY JEC

A parent/guardian or other adult having custody of a student must provide two documented proofs of residence in York County. The Code of Virginia § 22.1-264.1 states that a parent or guardian can be charged with a Class 4 misdemeanor for knowingly making a false statement concerning the residency of a child in a particular school division or school attendance zone if the purpose is to avoid tuition or to enroll the student in a school outside the attendance zone in which the student resides.
1. Any student entering YCSD for the first time is required to provide:
   A. Proof of birth (original Birth Certificate or for non-US citizens, other substantiating documents).
   B. Documentation of a comprehensive physical examination is required before entry to pre-kindergarten and elementary school (Code of Virginia § 22.1-270). The physical must be completed no earlier than one (1) calendar year before entry to public pre-kindergarten, kindergarten or elementary school. The physical exam must be performed by a licensed physician, a licensed nurse practitioner or licensed physician assistant acting under the supervision of a license physician.

   • A School Entrance Physical and Immunization Form (MCH 213 G revised 10/2010) may be obtained from any YCSD school, the Peninsula Health Department, any family practice medical office, military medical clinic, or the YCSD website, http://www.doe.virginia.gov/support/health_medical/school_entrance_form/school_entrance_form.pdf

   C. Documented proof of adequate immunization with the prescribed number of doses of each vaccine as required by Virginia law. Listed below are the minimum acceptable immunization levels:

   1) Four (4) doses of DTP or DTaP for all new children enrolling (kindergarten through 12th grade) (one of the four (4) must have been administered on/after the 4th birthday).

   2) Four (4) doses of Polio (OPV/IPV) for all new children enrolling (kindergarten through 12th grade) (one (1) of the four (4) must have been administered on/after the 4th birthday). Note: The fourth dose is not necessary if the third dose is administered at 4 years of age or older and at least six (6) months following previous dose.

   3) Two (2) doses of Measles (first dose on/after 12 months of age). (see note below)

   4) One (1) dose of Mumps (first dose on/after 12 months of age). (see note below)

   5) Two (2) doses Mumps (first dose on/after 12 mos. of age). (see note below)

   6) Three (3) doses of Hepatitis B vaccine (two (2) doses of Merck adult formulation if given between 11-15 years of age).

   7) Two (2) doses of Varicella to susceptible students (first dose on/after 12 months of age; second dose prior to entering kindergarten).

   8) Beginning July 1, 2019, all rising 7th graders are required to have a dose of Tdap regardless of the interval since the last dose of tetanus-containing vaccine. If there is documentation of receipt of a dose of Tdap prior to 7th grade, another dose is not necessary. All new students entering 7th through 12th grade will be required to have received one (1) dose of Tdap.

   Note: Measles, Mumps, Rubella requirements also met with 2 MMR – first dose on/after 12 months of age; second dose prior to entering kindergarten.

   A child whose immunizations are incomplete may be admitted conditionally, as specified in the Code of Virginia § 22.1-271.2.B, provided the parent or guardian has documentation at the time of enrollment indicating that the child has received at least one dose of the required immunizations and has a written schedule for completing the remaining doses within 90 calendar days of enrollment. If the parent has not provided the required documentation by the end of the 90th day, the student will be withdrawn.

   The 90-day grace period does not apply to the Tdap booster requirement because Tdap is a single dose vaccine, not a series.

   D. Exemptions for physicals and immunizations:

   1. A medical exemption is a physician’s written statement that immunizations would be detrimental to the child’s health at that time and future immunization compliance is planned

   E. Documented proof that parent or other adult having custody of the child is a resident of
York County. Documents that verify York County residency include utility company statement, bank statement, auto/homeowner/rental insurance policy, rental contract or rent receipt, notarized letter from homeowner, property tax bill, mortgage verification, close of escrow. Two (2) of the listed documents are required as specified on the Parent Information Form-Residence Verification. Any person who knowingly makes a false statement concerning the residency of a child, as determined by § 22.1-3 of the Code of Virginia, in a particular school division or school attendance zone, for the purposes of (i) avoiding the tuition charges authorized by § 22.1-5 or (ii) enrollment in a school outside the attendance zone in which the student resides, may be guilty of a Class 4 misdemeanor and shall be liable to the school division in which the child was enrolled as a result of such false statements for tuition charges, pursuant to § 22.1-5, for the time the student was enrolled in such school division.

F. Students identified as homeless will be admitted into YCSD in accordance with the provisions of the McKinney-Vento Act of 2001. Assistance in obtaining registration documents will be provided.

G. Students who are visiting the United States through a sponsoring exchange agency may be admitted to York County schools with the appropriate paperwork. The U.S. Department of Homeland Security requires that other foreign students who wish to attend school in the United States must be registered with Bureau of Immigration and Customs Enforcement (ICE). Please contact the Department of School Administration (757-833-7001) for specific information.

H. Pursuant to the Code of Virginia § 22.1-3.4, a student who has been placed in foster care by a local social services agency shall be immediately enrolled, even if the placing social services agency is unable to produce the documents required for enrollment. In such cases, the person enrolling the student shall provide a written statement that, to the best of his/her knowledge, sets forth (i) the student’s age; (ii) compliance with the requirements of § 22.1-3.2 of the Code (student’s school status); and (iii) that the student is in good health and is free from communicable or contagious disease.

I. On July 1, 2009, Virginia entered into the Interstate Compact on Educational Opportunity for Military Children (§ 22.1-360 of the Code). This compact facilitates the timely enrollment of children of military families and ensures that they are not placed at a disadvantage due to difficulty in the transfer of education records from the previous school district(s) or variations in entrance requirements. According to the compact, children of military families, without documentation of immunizations, should be immediately enrolled and shall have up to 30 days from the date of enrollment to obtain any immunization(s) required by the receiving state. The compact does not waive the physical examination requirement for these children.

J. Students entering kindergarten must have reached their 5th birthday on or before September 30th of the year in which they enroll.

K. Affidavit of Prior School Expulsions, § 22.1-3.2 of the Code of Virginia requires, upon registration, a sworn statement or affirmation indicating whether the student has been expelled from school attendance at a private or public school for an offense relating to weapons, alcohol or drugs, or for the willful infliction of injury to another person.

Family Educational Rights and Privacy Act (FERPA)
The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. §1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents/guardians certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have
transferred are “eligible students.” However, a school may disclose the scholastic records to the parents/guardians of an eligible student who is age 18 or over and who is considered a dependent student under section 152 of the Internal Revenue Code of 1954 without the consent of the eligible student. A parent/guardian of a child with a disability who is 18 may retain his or her rights provided that the child has been determined to be legally incompetent or legally incapacitated.

Family Life Education
A family life education program designed to reach goals established by the Virginia Department of Education is offered in grades kindergarten through 12. A listing of family life education topics by grade level can be found online in the parent resource section of the division website, https://yorkcountyschools.org/parents/parentResources/default.aspx. Parents/guardians who wish to exclude their student(s) from any or all family life education topics may do so by completing the form included in this handbook. Printed/audio-visual materials, as well as the family life education curriculum guide, are available for preview at your child’s school and the York County School Board Office.

Fire Lanes

Fire lanes in front of YCSD schools provide first responders with unencumbered access to the schools in the event of an emergency. These lanes are not parking zones. They are marked with yellow paint and/or “No Parking: Fire Lane” signs. Only driver-attended school buses are allowed to stop in fire lanes for student pick-up and drop-off. Unauthorized parking in a fire lane is a violation of the law as well as a safety hazard.

Fine Arts

Fine arts education is an integral part of the total instructional program. Fine arts teachers work directly with student groups and with other teachers on a consulting basis to correlate fine arts activities with other areas of the curriculum. Through fine arts instruction, students are exposed to many art forms, media, tools and techniques.

Fund Raising

REFERENCE: SCHOOL BOARD POLICY DGCY

Fund-raising activities are defined as those activities, which contribute to the operation or maintenance of any school club or organization.

Fund-raising is further defined as either internal or external. Internal fund-raising activities are defined as those taking place on the school premises or in an alternate location available exclusively to the school. External fund-raising activities are defined as those where funds would be procured from the community. Students may not sell, on school property, any item for themselves or a non-school organization.

In accordance with Standards of Accrediting Public Schools in Virginia, Standard D-18, fund-raising activities that involve elementary students in door-to-door solicitation shall be prohibited.

Elementary Schools

Fund-raising activities will be restricted to internal fund-raising activities only. Internal fund-raising activities will be left to the discretion and prudent judgment of the school principal. No external fund raising will be held in the elementary schools.

Middle Schools

Internal fund-raising activities will be left to the discretion and prudent judgment of the school principal. External fund-raising activities will be restricted to one (1) activity per school per school year.

High Schools

Internal fund-raising activities will be left to the discretion and prudent judgment of the school principal. External fund-raising activities will be restricted to one (1) activity per school per school year. This limitation does not preclude advertising in school programs, event programs, yearbooks and/or performances. In addition, it does not preclude school clubs and organizations, with the approval of the school principal, from participating in no more than one (1) external fund-raising activity per club or organization per school year.

Photographs and Related Items

Sale of photographs and related items to students is considered to be an internal fund-raising activity as well as a service to students and their parents/guardians. Advertisement for competitive proposals must be made, and proposals must be properly accepted in a confidential manner. The contract may be awarded according to the quality of service as well as price, but no vendor shall be designated as the “official supplier.” An affirmative and complete disclosure must be made by the school to students and parents/guardians that the project is a fund-raising activity, and that they may purchase the goods elsewhere, if they desire. The disclosure must include the amount that will be retained by the school and the use to be made of these funds.

Publications

Yearbooks, newspapers, journals or other school publications require a charge to pay for the cost of the publication. Cost will vary from school to school. If additional charges are added to the basic publication cost, the project must be considered a fund-raising activity. In that case, adherence to school board policy concerning such activities is required.
**Gifted Education**

**REFERENCE:** SCHOOL BOARD POLICY IGBB

YCSD identifies students in grades kindergarten through 12 who have potential and/or demonstrated abilities and who exhibit high performance capabilities in the area of general intellectual ability.

**GRADES K-7**

Gifted students are identified in the spring of the kindergarten year and throughout grades 1 through 12. All K-5 gifted students attend the EXTEND Program at the division’s gifted education center located on the Dare Elementary School campus. Identified kindergarten students participate in special seminars each spring during the school day; while first through fifth grade students travel from their home schools one (1) day each week to participate in the program. Identified students in 6th and 7th grade meet weekly in their home schools with a gifted education teacher. For all identified gifted students, learning is “extended” as they participate in interdisciplinary units of study and research activities, which emphasize abstract thinking and independent learning.

**GRADES 8-12**

Eligible students in grades 8 through 12 are encouraged to select from the available advanced secondary program options, which include the YCSD Honor Program, the Pre-Diploma Program, Virtual Virginia online courses, the International Baccalaureate Diploma Programme, Advanced Placement courses, the School of the Arts, Summer Residential Governor’s School, the Early College Program, and New Horizons Governor’s School for Science and Technology. In addition, concurrent dual enrollment in cooperation with local colleges, seminars and enrichment activities is available to eligible students.

**GIFTED EDUCATION ADVISORY COMMITTEE**

The Gifted Education Advisory Committee advises and assists YCSD on various aspects related to gifted education services. Information about regularly scheduled meetings is posted on the YCSD website and school division TV channel, and the gifted center notifies parents/guardians about these meetings. Parents/guardians are encouraged to attend and share information on issues and concerns regarding gifted education in York County. Each meeting contains a public comment period. For information about this committee, contact one of the committee members or the gifted center. This contact information is listed on the division’s website, at https://yorkcountyschools.org/parents/specialEducation/sea.aspx. Anyone interested in serving as a school representative on the Gifted Education Advisory Committee should contact his or her child’s principal.

Questions regarding referrals for gifted services, timelines, and other eligibility criteria should be directed to the gifted education contact at your child’s school. The school-based contact may also provide assistance regarding transfer students who were identified as gifted in another division.

**Grading**

**REFERENCE:** SCHOOL BOARD POLICY IU

Student performance is reported to parents/guardians every nine (9) weeks. Interim reports are issued at the mid-point of each grading period in grades 1 through 12. Beginning in the 2019-20 school year, the kindergarten report card will provide detailed progress on student performance in the areas of reading, written/oral communication, and mathematics. Because of the detail provided in the quarterly report card, kindergarten students will not receive interim report cards.

The numerical grading scale was revised to a modified 10-point grading scale for grades 3 through 12 effective September 2012. The current grading scale is as follows:

- A = 90-100
- B = 80-89
- C = 70-79
- D = 64-69
- F = 0-63

**Note:** Student transcripts and transcript supplements will denote both the old and current grading scales and the implementation date for the current grading scale.

**INTERIM REPORTS**

Students in grades 1 through 12 receive quarterly interim reports electronically via their activated Aspen accounts. Parents/guardians may contact their child’s school office for information on activating their accounts. Paper copies of interims will be
provided for parents/guardians upon request and given to students to take home.

**Rounding**

In grades 3 through 12, when the cumulative grade is within .5 of the next higher letter grade, the grade will be rounded on the interim report/report card as follows:

<table>
<thead>
<tr>
<th>Cumulative Average</th>
<th>Rounded Cumulative Average</th>
<th>Letter Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>89.5 to 89.9</td>
<td>90</td>
<td>A</td>
</tr>
<tr>
<td>79.5 to 79.9</td>
<td>80</td>
<td>B</td>
</tr>
<tr>
<td>69.5 to 69.9</td>
<td>70</td>
<td>C</td>
</tr>
<tr>
<td>63.5 to 63.9</td>
<td>64</td>
<td>D</td>
</tr>
</tbody>
</table>

The default setting for the electronic grade book will be set to round the cumulative grade that is calculated whenever a report is viewed or printed.

**Elementary School**

At the end of the first quarter, parents/guardians will be invited to a conference to discuss their student’s progress with the teacher. In addition, students will receive feedback on their academic performance through interim and quarterly report cards. Should a conference be requested at any other time during the year, parents/guardians should contact the teacher or telephone the office for an appointment that will be mutually convenient to both parent and teacher.

The grading scale for elementary students is as follows:

<table>
<thead>
<tr>
<th>Grades K-2</th>
<th>Grades 3-5</th>
</tr>
</thead>
<tbody>
<tr>
<td>S = Satisfactory</td>
<td>A (90-100) = Excellent</td>
</tr>
<tr>
<td>P = Progressing</td>
<td>B (80-89) = Good</td>
</tr>
<tr>
<td>N = Needs Improvement</td>
<td>C (70-79) = Average</td>
</tr>
<tr>
<td>V = Not Evaluated</td>
<td>D (64-69) = Poor</td>
</tr>
<tr>
<td>F (0-63) = Failing</td>
<td></td>
</tr>
</tbody>
</table>

**Evaluation of Student Work**

The evaluation of student work is a vital part of the educational process. Students should be aware of their progress as they proceed with their studies.

1. Quizzes and Tests
   - All papers (quizzes and/or tests) should be returned to students corrected and/or with directions for corrections.
   - Quizzes should be returned to students within a 3-day period.
   - Tests should be returned to students within a 5-day period.
   - All quizzes and tests should be evaluated.

2. Written Assignments (e.g., homework, make-up work)
   - Required work should be received by the teacher.
   - Required work should be corrected by the student prior to grading.
   - Required work should be evaluated.
   - Required work should be returned within an 8-day period, depending on the type of work.
   - Failure of the student to turn in an assignment on time may result in the student receiving a lowered grade on the assignment.

**Middle and High School Procedures and Regulations for Grading and Averaging of Grades**

**Quarterly Assessments**

Beginning with the 2019-20 school year, semester and final exams are replaced with four (4) quarterly assessments. Quarterly assessments are a separate category in the teacher gradebook and are weighted at 10 percent of the quarterly grade.

**Procedures for calculating grades**

Teachers use numerical scores in determining letter grades. The procedure for determining final grades is as follows (semester grades in a year-long course are determined in the same manner as grades in a semester course):

**Semester Courses – Credit Bearing:**

- First or Third Quarter Grade = 50%
- Second or Fourth Quarter Grade = 50%

**Semester Courses – Middle School Only:**

- First or Third Quarter Grade = 50%
- Second or Fourth Quarter Grade = 50%

**Year-Long Courses:**

- First Semester Grade = 50%
- Second Semester Grade = 50%
Transfer Student: Letter grades from a previous school division will be converted to YCSD’s four-point grading scale. Grade Point Average (GPA) will be calculated based on conversion results.

**CLASS RANKING**

**REFERENCE: SCHOOL BOARD POLICY IUX**

1. All courses taught in York County middle and high schools are assigned grade-point values as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4 points</td>
</tr>
<tr>
<td>B</td>
<td>3 points</td>
</tr>
<tr>
<td>C</td>
<td>2 points</td>
</tr>
<tr>
<td>D</td>
<td>1 point</td>
</tr>
<tr>
<td>F</td>
<td>0 points</td>
</tr>
</tbody>
</table>

High school class ranking within YCSD is based upon the grades earned in courses for which high school credit is awarded.

The following formula is used for computing full-year GPA for class rank:

\[
\text{GPA} = \frac{\text{Sum of Quality Points}}{\text{Sum of Credits Attempted}} + \frac{\text{Sum of Weighted Course Credits Attempted}}{\text{7X}}
\]

Where: Quality Points are the points assigned for a letter grade earned in a course:

- A = 4 points
- B = 3 points
- C = 2 points
- D = 1 point
- F = 0 points
- I = 0 points

Where: 7 represents the number of periods in a regular school day and X represents the unit of time in high school:

1 = end of 9th grade
2 = end of 10th grade cumulative
3 = end of 11th grade cumulative
4 = end of 12th grade cumulative

**Note:** A weighted course is an advanced placement, advanced or other course in which credit is increased by reason of the rigor of the curriculum and quality of work accomplished.

2. Class rank is to be determined by assigning the highest grade point average a rank of number one (1); the second highest, the rank of number two (2); etc. In cases where more than one student has the same grade point average, all students with that average will be given the same rank. The next highest average will assume the rank position, which will indicate the number of students having higher rank.

3. Class rank shall be computed at the end of the 11th grade, at the completion of the first semester of the 12th grade, and at the end of the senior year. Class ranking reports to colleges shall be based on the most recent computation. Class rank at the end of the first semester of the senior year shall be used for purposes related to graduation.

4. Students entering the 9th grade and their parents/guardians will be advised, in writing, of the method of calculating class rank and grade point average. Transfer students will receive this information at the time of registration.

**NON-YORK COUNTY SCHOOL DIVISION COURSES**

High school students who wish to take courses at colleges or other institutions outside of YCSD must have those courses approved in advance by the principal for high school credit to be awarded. Such courses cannot be offered by YCSD or the New Horizons Regional Education Center except under limited circumstances and must be compatible with local and state regulations. Written approval must be secured from the principal prior to enrollment in the course. With the exception of the methodology used to calculate transfer credits, weighted credit will not be awarded for course-work taken outside of YCSD.

**Grounds and Facilities, Use of**

**REFERENCE: SCHOOL BOARD POLICY KG**

School grounds and facilities may be used after school hours for purposes and activities, which have been authorized by the school board. Forms to request the use of facilities are available in each school. Forms to request the use of grounds at elementary and middle schools are forwarded via the principal to York County Parks, Recreation & Tourism. Fees may be charged for facility use.

Unlicensed vehicles are unlawful on school property at all times. Unauthorized motorized vehicles are not permitted on school grounds at any time.
**Health Services**

School clinics are staffed by registered nurses, licensed practical nurses or trained aides.

**NOTICE OF STUDENT SCREENING**

REFERENCE: *Code of Virginia § 22.1-273*

All students (kindergarten through grade 12) enrolling in a Virginia public school for the first time shall be screened by school health service providers in the areas of vision and hearing within 60 business days from the day of initial enrollment. Additionally, the vision and hearing of all students in grades 3, 7 and 10 shall be screened during the school year. Students in grades 5, 7 and 9 will be screened for scoliosis. Scoliosis informational letters are sent home to parents of 6th, 8th and 10th grade students. In reference to the above-mentioned screenings, parents will be notified if needed.

**HEAD LICE**

Consistent with the Virginia School Health Code (*Code of Virginia § 22.1-272*), students identified with head lice will not be allowed to remain at school and will not be readmitted to school until they have been treated and are free of all evidence of head lice and nits, as determined by school health services providers.

**ILLNESS/Accidents**

Students with infectious or contagious conditions such as conjunctivitis (pink eye), impetigo, head lice, ringworm or scabies may be sent home to parents of 6th, 8th and 10th grade students. In reference to the above-mentioned screenings, parents will be notified if needed.

If a student has an accident or becomes ill during the school day, the school’s health service provider will assess their condition and provide appropriate care. The parents/guardians will be contacted immediately if they need to go home or need further treatment. In case of emergencies, the school’s health service provider will provide care until the student can be transported to a hospital. It is important that clinic staff be made aware of current telephone numbers, emergency contacts, changes in health status and student medications, and that emergency contacts live locally.

**MEDICATION**

Parents should try to schedule medication, including over-the-counter medication, before and after school. However, if a student has to take medicine during the school day, it must be brought to the school by the parent/guardian in the original container with the prescription label intact. It will not be accepted unless it is in its original container. Over-the-counter medication needed during school hours must be in the original, sealed, unused container. Alternative or homeopathic remedies cannot be administered without a written order from a health care provider authorized to prescribe in Virginia and with certain conditions met. Medication is to be left in the clinic. A signed parental YCSD medical permission form must be completed for medication to be given at school. The medication will be administered as directed per the container label. The clinic cannot accept phone permission for dispensing medication. The above procedures are designed to help ensure students receive the appropriate medication and dosage. Cough drops are discouraged at school. After initial notification, school health services providers will make personal contact with parents/guardians at the end of the school year to pick up any unused medication. Any medication not picked up after parent contact will be destroyed.

**CONCUSSION GUIDELINES**

Concussion Definition – a brain injury that is characterized by an onset of cognitive and/or physical functioning, and is caused by a blow to the head, face or neck, or a blow to the body which causes a sudden jarring to the head. A concussion can occur with or without a loss of consciousness.
The 2010 Virginia General Assembly passed the Student-Athlete Protection Act (SB 652) to ensure that student-athletes who suffer a concussion are given a proper diagnosis, given adequate time to heal, and are not allowed to return to sports participation until they are symptom free and cleared by the appropriate licensed health care provider. The licensed health care provider must be a physician, physician assistant, osteopath or athletic trainer licensed by the Virginia Board of Medicine; a neuropsychologist licensed by the Board of Psychology; or a nurse practitioner licensed by the Virginia State Board of Nursing.

Consideration should also be given to addressing the needs and gradual reintroduction of cognitive demands for all students who have been determined to have a concussion. This includes students who have been medically diagnosed with cancer or a concussion.

Physical Education Excuses

If your child has an injury or illness which causes them to temporarily miss or need short-term accommodations in their PE class, a parent note is acceptable for up to three (3) PE classes. During this time frame, an alternative assignment will be provided. Injuries or illnesses that exceed three (3) class periods require a note from a medical provider who can provide guidance for a more permanent solution for the student’s participation in physical activity. Please note, if a student’s PE class is modified, the same restrictions will apply to recess, sports and any intramural activity period occurring at school.

Epinephrine Guidelines

All public school systems in Virginia are required to have epinephrine available in each school for the emergency treatment of anaphylaxis. Each school will be required to have at least two (2) employees trained in the administration of epinephrine. YCSD will follow the guidelines on epinephrine as set forth by the Virginia Department of Education.

Seizure Management Guidelines

Seizure Definition – temporary change in behavior resulting from a sudden, abnormal burst of electrical activity in the brain. Depending on where the electrical disturbance occurs in the brain constitutes whether the seizure is partial or generalized.

Recognizing that students with a history of seizures attend public school, every effort is made to accommodate the student in the school setting. YCSD health service providers follow the Seizure Management Guidelines as set forth by the Virginia Department of Education.

Managing a seizure in the school setting consists of protecting the student, observing the student, and administering medical assistance when needed. The Seizure Action Plan should be used with students being treated for a seizure disorder and contains vital information, which may assist if a seizure occurs during the school day.

Should you have questions or concerns, please contact your child’s school clinic directly.

Homebound Instruction

Reference: School Board Policy IGBG

Homebound instruction will be made available to eligible students who are confined at home or in a health care facility for periods that would prevent normal school attendance. Contact the school’s main office for information and necessary forms.

Homeless Children & Youth

The McKinney-Vento Act of 2001 ensures that homeless students have access to the same, free, appropriate public education provided to other children and youth. Students identified as homeless will be enrolled in YCSD and assistance in obtaining registration documents will be provided. Services for homeless students may include transportation to their school of origin or to the school in the district in which they live, as well as referral to local service agencies.
Homework Policy

REFERENCE: SCHOOL BOARD POLICY IKB

GUIDELINES

Homework assignments will depend upon the age and ability levels of students. In making homework assignments, teachers will adhere to the following guidelines:

1. Homework should be valuable to students. It should be reasonable in length and related to specific goals. For example, if a student can correctly multiply ten (10) three-digit decimal problems, there is little validity in assigning more. Such an assignment becomes busy work and has little educational value.

2. With the exception of reading, all homework will be practice and application of previously taught concepts.

3. Clear, specific directions with step-by-step examples will be given when the assignment is made. To minimize confusion about the specifics of an assignment, the homework assignment will be displayed in a strategic place for students to copy. The homework assignment will include a concise description of expectations for completion and evaluation.

4. Homework expectations will be communicated to students and parents. Evaluation procedures and the part homework will play in determining students’ grades will be clearly stated.

5. Time will be provided for students to complete assignments requiring access to technology. For such assignments, a reasonable completion deadline will be set that permits all students equal access to school resources. Teachers will make every effort not to make assignments that require significant financial contribution from students or parents. Teachers will inform parents of resources available through the school.

6. In support of differentiated instruction, teachers may vary homework assignments.

7. Homework will never be used for disciplinary purposes.

EVALUATION

Written homework assignments will be explained, evaluated and returned in a timely manner to students. “Evaluation” does not necessarily require the “grading” of each assignment. Check marks, stickers for reinforcement and written comments are examples of how assignments can be graded. The message that students should receive is that homework is important enough to be monitored. Non-written assignments such as reading assignments may be monitored by assessing student participation in class discussion or by written assessment on the previously read material. Standards for the weighting of homework are indicated below:

<table>
<thead>
<tr>
<th>Grades</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kindergarten to 8</td>
<td>Not to exceed 10% of marking period grade (except high school credit courses)</td>
</tr>
<tr>
<td>9 to 12</td>
<td>Not to exceed 20% of marking period grade</td>
</tr>
</tbody>
</table>

SUGGESTED TIME STANDARDS

The amount of homework assigned should be appropriate to the needs of students. While it is recognized that homework assignments may vary in length, the following daily homework maximum standards are recommended.

<table>
<thead>
<tr>
<th>Grades</th>
<th>Maximum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kindergarten to 1</td>
<td>30 minutes, including reading</td>
</tr>
<tr>
<td>2 to 5</td>
<td>45 minutes, including reading</td>
</tr>
<tr>
<td>6 to 8</td>
<td>75 minutes</td>
</tr>
<tr>
<td>9 to 12</td>
<td>30 minutes per class</td>
</tr>
</tbody>
</table>

Notes:

1. Students in grades 6 to 12 who are enrolled in advanced, honor and AP courses may be assigned additional homework.

2. Because of the alternating-day block schedule in high schools, a maximum of 30 minutes of homework should be assigned for each class meeting. Examples: Class meets two times during Week 1 = 60 minutes of homework per week; class meeting three times during Week 2 = 90 minutes of homework per week.

Honor Roll

Elementary, middle and high school students are eligible for honor roll status based on specific criteria:
**Elementary and Middle School**

- Will consist of “All A” and “A-B” honor rolls
- Will be based on quarter grades
- Will be based on core classes in elementary schools
- Will be based on all classes in middle schools
- Will not include citizenship as criteria

**High School**

- Will be based on grade point averages (highest honors 3.75 or above and honors 3.25 to 3.7499)

**Hotline Number**

The division has an emergency HOTLINE number for the purpose of allowing students, parents and members of the community to anonymously report actual or suspected threats to the safety of students, division personnel or facilities (e.g., bomb threats, fights, possession of drug paraphernalia).

Information can be left on voice mail at any time of the day or night. Reports to this HOTLINE will be retrieved daily and investigated by the proper authorities. All calls are confidential.

**HOTLINE NUMBER: 890-5000**

**Insurance**

**Reference: School Board Policy JHC**

Accident and dental insurance are offered at the beginning of the school year. Information regarding the available plan is sent home with all students. No monies for insurance will be collected at school.

The York County School Board carries liability insurance only. **This insurance does not include medical coverage for student in the event of accidents.**

**Instructional Materials**

**Reference: School Board Policy IIAU**

1. A multi-text approach may be used in some classes. Textbooks may be issued for part of or the entire school year.
2. The following procedures are to be used for textbooks:
   A. The **Teacher** issuing the text to a student will write the following in ink:

   1) Student’s name
   2) Date issued
   3) Condition when issued – N (New), G (Good), F (Fair), P (Poor)

B. Individual copies of classroom sets may be issued to a student overnight. The student, however, must sign the book out on an overnight issue sheet and sign it back in the next day.

C. Periodic checks for lost or damaged books will be made by the teacher. If a student loses or damages a book, he/she is not to be issued another book until damages are paid or until the book is replaced.

D. If a student loses or damages a textbook, the student will be required to pay the replacement cost of the book. Students may be denied parking privileges as well as participation in extra-curricular activities to include, but not limited to, athletics, clubs, non-curricular trips, dances and graduation ceremonies until the cost of lost books or materials has been paid in full.

**Interscholastic Athletics**

**Reference: School Board Policy JFCB**

Interscholastic activities may not be conducted in the elementary grades. Middle school students in grades 7 and 8 have the opportunity to participate in interscholastic athletics. At the high school level, student participation in interscholastic athletics is governed by the Virginia High School League (VHSL) rules.

**Library Media Center**

Each library media center is a dynamic extension of the classroom that provides students with opportunities to read, research, study and explore areas of interest. The library blends traditional print materials, books, reference materials and periodicals, with digital multimedia research resources delivered via the wide-area network and the internet. Web-based subscription resources support and enhance exemplary content area instruction.

Students are expected to use all resources knowledgeably and should demonstrate an understanding of the ethics and fair use of materials. Every student must have a signed Network
Services/Internet Acceptable Use Agreement on file with the school prior to accessing any electronic resource.

**Lost and Found**

The school cannot accept responsibility for lost articles. Lost and found articles may be claimed in the school's office or other designated area. Unclaimed articles are disposed of periodically.

**Lunches**

**REFERENCE: SCHOOL BOARD POLICY EF**

Lunch prices are posted in the cafeteria. Free or reduced-price lunches are available (upon application and approval) to students whose family income falls within federally established guidelines. Applications are distributed to parents at the beginning of the school year. Applications also may be requested at any time from any school. Only approved food and drink items will be sold to elementary school students. The cafeteria and/or the school cannot accept lunch charges. Students may not leave school grounds during lunch.

**Minute of Silence**

YCSD, in compliance with the Code of Virginia § 22.1-203, shall establish a daily observance of one (1) minute of silence in each division classroom.

**Network Services/Internet Acceptable Use Policy (AUP)**

YCSD network services provide access to an extensive array of Local Area Network/Wide Area Network (LAN/WAN) and web-based services and applications to staff and students. These network and internet resources support the delivery of the division’s program of studies, the Virginia Standards of Learning, and also assist with and enhance innovative instruction and educational excellence. Instructional staff evaluates the validity and appropriateness of all network and internet resources used in instruction.

Students and staff are provided with instruction on social and ethical issues of internet use including copyright, fair use and plagiarism, and internet safety and security. Additionally, students and staff are provided with instruction on the use of portable communication or privately-owned electronic devices in the classroom. These devices include, but are not limited to, laptops, netbooks, tablets, iPads, cell phones, PDAs, e-readers and hand-held gaming devices.

Training includes:
- Internet safety review for secondary students
- Internet safety lessons integrated into instruction by classroom teachers and library/media specialists
- Multimedia reminders of internet safety and ethical or privately-owned electronic devices used for instruction

**CHILDREN’S ONLINE PRIVACY PROTECTION ACT NOTICE (COPPA)**

The Children’s Online Privacy Protection Act (COPPA) is a federal law governing the online collections of personal information from children under 13.

YCSD utilizes several third-party educational software applications and web-based services. In order for students to use these valuable programs and services, certain personal identifying information must be provided to the website operator. In accordance with COPPA, these websites must provide parental notification and obtain verifiable parental consent before collecting the personal identifying information from children under the age of 13. The law permits schools to obtain this consent, eliminating the need for parents to provide consent to each individual operator. YCSD will provide the following personal identifying information: student’s first and last name, YCSD username and YCSD email address, when required by website operators.

A list of the applications and websites, along with privacy policy information, currently used by the school division can be found online at [http://yorkcountyschools.org/technology/techResource/coppa.aspx](http://yorkcountyschools.org/technology/techResource/coppa.aspx). As new applications and resources are continuously emerging, teachers may identify additional online tools deemed educationally purposeful, in the event a teacher plans to use a new resource that has not yet been adopted at the division level, the teacher will seek additional parental permission.

Under the terms and conditions stated in this Acceptable Use Policy (AUP), all authorized users have access to:
• Productivity and instructional applications via the LAN
• Virtual classroom instruction via distance learning services
• Web-based electronic research and instructional services via the WAN
• Internet access to news, university and public library access to print and multimedia assets, and content-rich activities available from sites across the internet
• Electronic communication locally, regionally and globally, including but not limited to electronic discussion groups, email, video conferences and white-board communications
• Public domain multimedia files

1. Every division student who wishes to use YCSD network services, web-based resources and the internet must have a parent/guardian signature on this AUP form and return the form to school.
2. Every division student will receive internet safety instruction. Parents/guardians may opt out a student by indicating that choice on the signature form.
3. Any parent who wishes to revoke permission for a student’s access to all network services may sign a “Removal of Permission for Network Services” form, which is available at every YCSD school.
4. Parents/guardians may reinstate permission for student access to all computer, network and internet services at any time by signing a Network Services/Internet Acceptable Use Policy form. This form is also available at all YCSD schools.
5. If you opt to not give your child permission to use any network services or internet services, your child will not have any access to Aspen to check posted assignment/grades or post homework, access to student email, Office365, division-purchased instructional software and associated web services, nor will the student have access to computers for any computer-related courses offered in the assigned school. This would include access to Virtual High School and Virtual Virginia courses from within the division. When division, state and federal-mandated testing such as the Virginia SOL testing requires the use of computers, your child will be given access to a computer solely for the purpose of taking these specific tests and this will be the only exception regarding computer use when selecting this option.

**Use of network services and the internet is a privilege, not a right.** System users have no right of privacy nor an expectation of privacy for any activities, conducted on any division computer system or the network, including but not limited to, email or materials sent, received and/or stored on any division system. Division officials reserve the right to monitor and record all user activity. Should there be any evidence of violation of this AUP, school board policy or regulations, student conduct code or any local, state or federal law, division network personnel will provide such evidence to division administrators or to law enforcement officials, as appropriate, for disciplinary action and/or criminal prosecution.

**Division Staff Responsibilities**

The division staff will:

• Monitor and evaluate all internet safety instruction for staff and students and update as needed;
• Evaluate annually the division’s technology infrastructure and the network, internet and data security procedures in place;
• Remain cognizant of the latest developments in internet vulnerabilities, legal issues and capabilities related to instruction and impact on division students;

Assignments and activities conducted online may receive teacher comments, grades or evaluations; under no circumstances will comments, grades or evaluations be posted publicly.

2. Email accounts will be assigned to teachers and staff on a continuing basis. Email accounts for students will be assigned to all students. Students under the age of 13 will only be able to send and receive email from staff and students from within the division.

3. Students and staff may access information from outside resources via the internet that facilitates or supports learning and educational activities. Student internet use must occur in a supervised environment.

4. Students and staff may download and transfer data files necessary and approved for daily instruction over the network provided that such activity does not violate copyright or other laws, no fees are incurred, and/or no freeware, shareware, games or other executable files are placed on network stores.

(Televisions and VCRs may be attached to the cable TV distribution system without express authorization.)

- Data connection prohibitions include, but are not limited to, computer workstations, laptops/notebooks/tablet PCs, file servers, printers, networkable scanners, network switches or hubs, routers, PDAs, PDA/cell phone combination units and all other wired or wireless devices. This prohibition includes connecting to the network via a wireless connection.

- Voice connection prohibitions include, but are not limited to, analog telephones, ISDN (digital) telephones, FAX machines and modems.

- Users shall not activate privately-owned hotspots, 3G service, 4G service, or similar services/devices to access the internet or share internet access with others.

Transmission of any material in violation of federal or state law or regulation is prohibited and will be dealt with according to criminal statutes and the student conduct code.

10. Any staff member or student who gains access to inappropriate or undesirable internet materials, becomes aware of a network or hardware security problem, copyright or fair use infringement or any internet safety issue shall immediately notify the Manager of Network Services or Department of Instruction for assistance.

YCSD will take precautions to restrict access to undesirable or inappropriate materials using firewalls, encryption schematics and filtering applications and other security measures as well as provide error-free, dependable access to electronic resources via the LAN. All division teachers and staff will monitor all user activity in classrooms, labs and libraries and will pursue appropriate disciplinary actions based on the student conduct code or criminal statutes as appropriate for any violations of this AUP. Appropriate, safe and valuable use of the internet is the responsibility of students, parents and YCSD staff. Parents can assist school division staff by monitoring student internet use at home; establishing rules for on-line behavior at home; and reinforcing the division’s internet safety instruction by encouraging discussion of the positive and negative aspects of internet use.

YCSD makes no warranties of any kind, expressed or implied, for the network services it provides. YCSD is not responsible for any damages users may incur, including loss of data due to delays, non-deliveries, miss-deliveries, equipment failures or service interruptions. Non-Custodial Parents’ Rights
The Code of Virginia § 22.1-4.3 states that unless there is a court order to the contrary, non-custodial parents can be denied neither access to academic records nor the opportunity to participate in school activities such as lunch breaks, parent-teacher conferences and extracurricular activities. If there is a court order denying specific access, it is the responsibility of the custodial parent to provide a copy of the order to the school. Non-custodial parents will be listed as emergency contacts unless a copy of a court order denying access is provided to the school.

Nondiscrimination
REFERENCE: SCHOOL BOARD POLICY GB
The President and the Congress of the United States and the General Assembly of Virginia have enacted laws and issued directives affirming their intent to protect and grant equal opportunities to employees and students. In addition, the federal government and Virginia have enacted and enforced laws regarding the quality and equality of opportunities in education.

Out-of-Zone Attendance

REFERENCE: SCHOOL BOARD POLICY JC

Based on capacity and program offerings, students may enroll in schools other than those in their assigned attendance zone for documented family need. Applications and additional information may be obtained from any school main office or the School Board Office. Applications will be accepted between March 1st and July 1st for the upcoming school year.

Out-of-zone high school students, with the exception of rising freshmen who choose to transfer under the “non-resident policy” will be ineligible to compete in Virginia High School League-sponsored athletic or scholastic activities for 365 consecutive calendar days after being enrolled in the new school.

Students must maintain good attendance and behavior to remain in the out-of-zone placement. Attendance and discipline problems could result in revocation of the out-of-zone attendance approval.

Parent/Guardian Resources

Curriculum information, reading lists, writing requirements and helpful web addresses that contain information for parents/guardians and students are posted on the York County School Division website http://yorkcountyschools.org/. Parents/guardians may obtain a paper copy of this information by contacting their child’s school.

Plagiarism

By simple definition, plagiarism is literary theft – the act of appropriating the work of another without giving credit to the original creator of the work. YCSD requires all students to respect the intellectual property of others by practicing appropriate academic integrity and attributing material with cites.
to the originators (e.g., words, ideas, data or digital products).

Intentional plagiarism is not tolerated and offenses will be addressed according to the consequences outlined in the student conduct code.

**Pledge of Allegiance and Patriotic Songs**

Section 22.1-202 of the *Code of Virginia* states that each school board shall require the daily recitation of the Pledge of Allegiance in each classroom of the school division, facing the flag with the right hand over the heart. No student shall be compelled to recite the pledge if he, his parent or legal guardian objects on religious, philosophical or other grounds. Students not reciting the pledge must sit or stand quietly and make no display that disrupts or distracts others who are reciting the pledge. Students will be afforded the opportunity to sing the national anthem and other patriotic songs. Principals are charged with the responsibility to see that each classroom is furnished with an American flag.

**Portable Communication & Privately-Owned Electronic Devices**

To avoid disruption of the instructional process, students shall not display, use or activate portable communication devices or other privately-owned electronic devices during the instructional day, during after-school activities, or on the school bus with the exception of structured Bring Your Own Technology (BYOT) instructional activities supervised by a classroom teacher (see BYOT below) unless otherwise noted by building administrators. The instructional day includes, but is not limited to, lunch breaks, class changes and other structured instructional activities that occur during the normal school day. **Students must ensure that such devices are turned off and out of sight during the instructional day, during after-school activities and on the school bus. School personnel may confiscate items that disrupt instruction. Confiscated items will only be returned to parents/guardians at the end of the school day.**

**BRING YOUR OWN TECHNOLOGY (BYOT)**

The opportunity for students to bring electronic devices applies to grades 3 to 12 only. Third and fourth graders are allowed to bring privately-owned e-reader devices to school for the purpose of independent reading during appropriate instructional times as designated by the teacher. Students may not use these devices to access the internet using any private 3G, 4G or similar subscriptions through their own internet provider.

Students in grades 5 through 12 are allowed to use privately-owned electronic devices to access the YCSD wireless network. This wireless access by privately-owned electronic devices is to be used as a means to enhance the students’ classroom educational experience. All students will have the opportunity to participate in the instructional activity, regardless of whether they provide their own personal devices. Permission to bring and use privately-owned devices is contingent upon adherence to the following guidelines. Failure to comply with the guidelines established will result in disciplinary action.

**GENERAL RULES**

1. No privately-owned electronic device should ever be connected by cable to the school system network. Network access is provided via wireless connection only. No one is allowed to connect a privately-owned electronic device to the network by an Ethernet cable plugged into a data jack in the school. Violation will result in disciplinary action and revocation of access to the network.

2. Teacher permission is necessary for student use of a privately-owned electronic device during classroom instruction or the class period. Voice, video and image capture applications may only be used with teacher permission and for specific instructional purpose(s).

3. **The use of privately-owned electronic devices, to include earbuds and headphones, is solely limited to support instructional activities and must be turned off and put away if requested by the teacher.**

4. All sound should be muted unless the teacher grants permission for use of sound associated with instructional activities.

5. No student shall be directed to share a privately-owned electronic device with another student.
6. No student shall knowingly attempt to gain access to any computer, computer system, computer network, information storage media, or peripheral equipment without the consent of authorized school or division personnel.

7. No student shall install division-owned licensed software on their privately-owned electronic device.

8. No student shall establish a wireless ad-hoc network using his/her electronic device or any other wireless device while on school grounds. This includes, but is not limited to, using a privately-owned electronic device as a cabled or wireless hotspot.

9. No student shall use any computer or device to illegally collect any electronic data or disrupt networking services. Students may not engage in any malicious use disruption or harm to the school network, internet services, or any other electronic device owned by the school, any school personnel and/or student.

10. Students may not attempt to, or use any software, utilities or other means to access internet sites or content blocked by internet filters.

11. Students have no expectation of privacy in their use of a privately-owned electronic device(s) while at school. The school reserves the right to search (Code of Virginia § 22.1-279.6) a privately-owned electronic device, in accordance with applicable laws and policies, if there is reasonable suspicion that the student has violated the laws of the Commonwealth of Virginia, YCSD policies, administrative procedures or school rules, or engaged in other misconduct while using the computer.

12. Division software does not filter inappropriate content for devices accessing the internet through private subscriptions. Parents are encouraged to have their own security and filtering controls on these devices.

13. Students using cell phones and other devices are prohibited from accessing the internet through their personal internet service provider while at school. YCSD is not responsible for any financial obligations resulting from calls, internet access, application downloads, messaging services, or items of a similar nature.

PRIVATELY OWNED ELECTRONIC DEVICE SECURITY RISKS

Laptops and other portable electronic devices are especially vulnerable to loss and theft. These items may be targeted in school, on school grounds, parking lots and on buses. If a privately-owned electronic device is stolen, the theft must be reported immediately to a building administrator. In the event that a student believes that his/her password has been compromised, he/she should immediately reset his/her password using a school division computer.

The student must be responsible and aware of all risks. YCSD will not accept responsibility for the loss, damage, or theft of personal property. Students who bring privately-owned electronic devices on school property must assume the total responsibility of these items. The school division and division personnel cannot attempt to repair, correct, troubleshoot, or be responsible for malfunctioning personal hardware or software. Laptops, netbooks and all other portable electronic devices should NEVER be left unattended for ANY period of time by the owner. When not in use, they should be at the student’s side or in a secured location such as a school locker when applicable. If a privately-owned electronic device is found unattended, it will be turned into the school administration.

Private Transportation

Students who are brought to school by private means of transportation should arrive no earlier than 15 minutes before the start of the school day. Teachers have assigned responsibilities prior to the beginning of classes. Responsibility for the supervision of students who arrive earlier will not be accepted by the school. All students who go home by means of private transportation must be picked up at the appropriate dismissal time. Private vehicles are not permitted in areas designated for the loading and unloading of school buses. Please observe signs that are posted at school entrance ways. Private vehicles on school board property can be searched if there is a cause to suspect violation of school board policy.

Promotion Policy

Reference: School Board Policy IUY

In the elementary schools, students are promoted from grade to grade based upon multiple criteria,
including achievement in the areas of language arts, reading and mathematics, as well as test results from the Virginia assessment program. A student may remain for more than one (1) year in a designated elementary grade if his or her academic achievement in any of the areas of language arts, reading or mathematics is unsatisfactory or is significantly less than the established achievement level.

In the middle schools, students are promoted from grade to grade based upon achievement in all subject areas. A student must successfully complete English, mathematics, science and social studies or a recommended summer program that is approved by the middle school principal to be promoted to the next grade level. Students failing a class will also be evaluated for promotion based on standardized test scores and completion of a remediation program. Remediation may be comprised of summer school and/or a targeted skill program.

In the high schools, promotion is based upon achievement reflected by the number of credits earned. The grade level designations will be determined as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Credits Minimum</th>
</tr>
</thead>
<tbody>
<tr>
<td>10</td>
<td>5</td>
</tr>
<tr>
<td>11</td>
<td>10</td>
</tr>
<tr>
<td>12</td>
<td>15</td>
</tr>
</tbody>
</table>

Students who meet the requirements for promotion to the next grade level should not be retained in a grade level. When considering retention for a student, teachers will follow the guidelines outlined in Standard Operating Procedure: Retention.

**Records**

Reference: School Board Policy JO

1. Accurate and complete individual, permanent and cumulative records are maintained for each student in YCSD. All data maintained on an individual student is considered to be the scholastic record. The content of the scholastic record is limited to data needed by the school to assist the student in his/her personal, social, educational and vocational development and in his/her educational and vocational placement. Scholastic records are maintained in the school that the student attends.

2. The principal of the school in which the scholastic record is held is responsible for maintaining the record. Additionally, the principal is responsible for maintaining a record log of parties to whom data has been disclosed and the purpose of disclosure.

3. The policies and procedures for reviewing and expunging scholastic records are included in School Board Policy Manual File JO and Superintendent’s Regulation JO. A current copy of all division policies are posted on the division’s website. Printed copies of the policies are available as needed to citizens who do not have online access.

4. Parents/guardians and eligible students may challenge the content of scholastic records and may request the amendment of inaccurate or misleading information. If the request for amendment is denied by school officials, the parents/guardians or eligible students will be advised of the right to a hearing. A. The school presumes that both parents have the authority to inspect and review records relating to the student unless the school has been advised that both parents do not have the authority under applicable state law governing such matters as guardianship, separation and divorce.

B. Parents or eligible students may inspect and review scholastic records relating to the student which are collected, maintained or used by the school division. The school will comply with the request without unnecessary delay and in no case more than fourteen (14) calendar days after the written request has been received. Parents and eligible students will be notified of the time and place where records may be inspected.

C. The school division will comply with a request to inspect and review scholastic records before any meeting regarding an IEP or hearing relating to the identification, evaluation or educational placement of a student or provision of a free, appropriate public education.

D. Those persons within the school who are involved directly in the supervision or instruction of students have access to records. These include building principals, assistant principals, teachers, supervisors, school board members, and related service providers, e.g., occupational and physical therapists. Permission for certain other parties requesting access, e.g., law enforcement officials, persons with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist), or a parent serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks may be granted in accordance with the Guidelines for the Management of Student’s Scholastic Record in Virginia Public schools.

E. THE RIGHT TO INSPECT AND REVIEW SCHOLASTIC RECORDS INCLUDES:

1) The right to a response from the school to reasonable requests for explanations and interpretations of scholastic records;
2) The right to request that the school provide copies of scholastic records containing information if failure to provide the copies would effectively prevent the parent from exercising the right to inspect and review scholastic records; and
3) The right to have a representative of the parent inspect and review the scholastic records.

F. If any scholastic record includes information on more than one student, parents/guardians of those students will have the right to inspect and review only the information relating to their child or to be informed of that specific information.

H. All parental rights regarding student records will pass to the child upon reaching age 18 or when attending an institution of post-secondary education, unless a specific statute or court decision directs otherwise.

9. Disclosure

A. When a request for disclosure of scholastic record data is made, such a request will be granted immediately, if practical, but in no case more than five (5) administrative working days after the date of the request. If the school determines that it is practically impossible to provide the requested records or to determine whether they are available within five (5) administrative working days,
the school will inform the requesting party and will have an additional seven (7) administrative working days to provide the requested records.

B. A school may disclose, upon student transfer, information from scholastic records to another school or school division without parental consent, unless prohibited by other applicable law. Scholastic information may also be provided to an institution of post-secondary education to which a student seeks to enroll.

C. The school will keep permanently with the student’s scholastic file a RECORD DATA DISCLOSURE FORM showing:
   1) The parties who have requested and/or obtained scholastic record data disclosure, with the exception of adult clerical and professional personnel within the school division, the parent/guardian or eligible student; and the parties receiving directory information;
   2) The agency or institution represented, if appropriate;
   3) The date of the disclosure;
   4) And the specific legitimate interest of such disclosure and the purpose for which the data will be used.

D. When personally identifiable information concerning a student with a disability is no longer needed, it must be destroyed at the request of the parents (except that the student’s name, address, telephone number, grades, attendance record, classes attended, grade level completed and year completed may be maintained without time limitation). If parents do not request the destruction of the personally identifiable information, it may be retained permanently.

E. The record data disclosure form will be available to parents/guardians or eligible students, to school officials responsible for record maintenance and to authorized parties.

F. Personally identifiable information from scholastic records, with the exception of directory information will be disclosed to a third party only on the condition that said party will not disclose such information without the written consent of the part/guardian or eligible student. A written statement explaining the above stated condition will accompany such disclosure. If a third party is an institution, agency or organization, the disclosed personal information may be used by its officers, employees and agents, but only for the purpose for which the disclosure was made.

G. A listing of parties to whom scholastic record data will be disclosed, upon request, and the conditions of such disclosures is available in each school in School Board Policy Manual File JO.

H. The principal or his designee may disclose identifying information from a student’s scholastic record for the purpose of furthering the ability of the juvenile justice system to effectively serve the student prior to adjudication. In addition to those agencies, the principal or his/her designee may disclose identifying information from a student’s scholastic record to attorneys for the Commonwealth, court services units, juvenile detention centers or group homes, mental and medical health agencies, state and local children and family service agencies, the Department of Juvenile Justice and to the staff of such agencies. Prior to disclosure of any such scholastic records, the persons to whom the records are to be disclosed shall certify in writing to the principal or his/her designee that the information will not be disclosed to any other party, except as provided under state law, without the prior written consent of the parent of the student or by such student if the student is 18 years of age or older.

I. When parental consent is required in order to release a student’s scholastic record data, and the parent/guardian refuses to give such consent, the Local Education Agency (LEA) must use informal means to secure the consent. If the parent/guardian continues to refuse to give consent, the LEA must provide written notification to the person/agency requesting the information that parental consent is required and has been refused. If the LEA wishes to disclose information and has been unable to secure the necessary consent through informal means, the LEA may use more formal measures, as appropriate, to effect release of information.
10. Directory Information
A. Data considered to be directory information is as follows:
   1) Name of student in attendance or no longer in attendance;
   2) Address;
   3) Date and place of birth;
   4) Telephone listing;
   5) Dates of attendance;
   6) Participation in officially recognized activities and sports
   7) Height and weight, if member of athletic team;
   8) Awards and honors received; and
   9) Other similar information.
B. Parents/guardians or eligible students may refuse permission to disclose directory information by notifying the principal in writing within fifteen (15) administrative working days that any part of or all such information shall not be disclosed without prior consent.
C. In the absence of parent/guardian or eligible student request for nondisclosure, the school division will disclose directory information in accordance with school division policy.
D. The school is not required to maintain a record of the disclosure of directory information.

11. Destruction of Non-Permanent Records
YCSD destroys the non-permanent records (not scholastic records) of all students including special needs students in accordance with the Code of Virginia and the guidelines provided by the State Board of Education and the Library of Virginia. These records must be retained five (5) years after the student graduates or withdraws from YCSD or transfers to another school division. Should this information be needed for social security benefits or other purposes, the student (or parent/guardian, if the former student is less than 18 years of age) may obtain a copy of his/her records by calling 757-898-0314 no later than five (5) years after the student has withdrawn or graduated from YCSD.

12. Permanent or Long-Term Records
   - The permanent or long-term records include the academic transcript, immunization verification access log, final opt-out for directory information and termination (graduation/withdrawal) information. These records are retained for 75 years and are then destroyed.

13. Secondary School Transcripts
   When college performance-related standardized test scores such as the SAT and ACT are available for a student, an eligible student, the student’s parent(s), guardian(s), or others having legal control or charge of that student can elect in writing to have these test scores excluded from the student’s transcript. To request an exclusion of the SAT and ACT from secondary transcripts, an eligible student, the student’s parent(s), guardian(s), or others having legal control or charge are required to complete the YCSD Transcript Request Form (I-93) and submit the request to the school division records manager.

**Release of Students**

Reference: School Board Policy JED

No student will be permitted to leave school prior to dismissal at the request of or in the company of anyone other than a duly authorized school employee, a law enforcement officer, a court official, or the parent or guardian who has custody of the child unless written permission is first received from the parent or guardian of the student.

If a student is to be dismissed early, the parent, guardian or an adult approved by the parents must sign the child out from the office. For the student’s own protection, he/she will not be permitted to meet adults at a car, wait outside the building or walk home. Students may not be picked up directly from the classrooms. Parents are required to supply the school with written notification when their student is left in someone else’s care.

**School Closings or Delays**

The decision to close school due to inclement weather is a very difficult and serious undertaking. When deciding whether to close schools, factors that are taken into consideration include:
   - Amount and type of forecasted inclement weather;
   - Timing of the inclement weather;
   - Condition of all streets (thoroughfare and residential) and bus stops; and
   - Ability to clear parking lots and sidewalks around schools.
In the event of school closings or delayed opening, information is posted on the division’s website, YCSD-TV, Facebook and Twitter accounts as soon as decisions are made. In addition, any delay or cancellation information is shared via the division’s telephone and email notification system to all parent contact information on file for each student. Information is also provided to local television and radio stations, though the division cannot guarantee the broadcast or accuracy of closure announcements on these stations. In most instances notification will begin by 5:30 a.m. on the morning of the school closing. In the event of a 2-hour delay, no pre-kindergarten or EXTEND classes will be held.

In accordance with Section 22.1-98 of the Code of Virginia the following provisions are required:

- When severe weather conditions or other emergency situations have resulted in the closing of a school or the schools in a school division for less than five (5) days, the school or the schools in the school division shall make up such days as may be required by the Board’s regulations; however, the required make-up days shall not exceed the missing teaching days;
- When severe weather conditions or other emergency situations have resulted in the closing of a school or the schools in a school division for five (5) days, but no more than fifteen (15) days, the school or the schools in the school division shall make up the first five (5) days plus one (1) day for each two (2) days missed in excess of the first five (5), up to a maximum of nine (9) make-up days;
- When severe weather conditions or other emergency situations have resulted in the closing of a school or the schools in a school division for more than fifteen (15) days, the school or the schools in the school division shall make up at least ten (10) days; or
- When severe weather conditions or other emergency situations have resulted in the closing of a school or the schools in a school division and such school has been unable to meet the 180 teach day or 990 teaching hour requirement, the school division may make up the missed teaching days by providing its students with instructional hours equivalent to such missed teaching days.

New Horizons Regional Education Center
When the majority of the five (5) school divisions on the Peninsula are closed for inclement weather, New Horizons Regional Education Center will be closed. Announcements will be made on local radio and television stations.

School Quality Profiles
The Virginia Department of Education’s School Quality Profiles provide information about student achievement, college and career readiness, program completion, school safety, teacher quality and other topics of interest to parents and the general public. This information for YCSD, as well as individual schools, is available at http://schoolquality.virginia.gov/.

School Safety and Emergency Preparedness
Reference: School Board Policy EB and EE

The safety of the school environment where your children spend much of their day is a top priority for YCSD. Staff work in partnership with national, state, and local safety officials — police, fire, emergency medical services, and public health — in order to ensure our schools are well prepared for an emergency.

All schools have comprehensive crisis plans in place to address a wide variety of emergency situations. These plans were developed in conjunction with safety officials and are reviewed annually. In general, each plan involves:

- the designation of an emergency incident management team;
- development of evacuation, reverse evacuation, shelter-in-place, and lockdown procedures;
- preparation of a portable emergency go-kit that contains key information and supplies;
- designation of appropriate evacuation sites;
- provisions for training personnel and exercising the plan;
- action guides for dealing with specific types of incidents; and
- Resources for help before, during and after an event.
Drills

Over the course of the school year, schools will hold several drills to help ensure that students and staff know what to do in the event of an emergency. These drills include, but are not limited to, fire, tornado and lockdown. Drills are not typically announced to students and staff prior to taking place in order to accurately assess emergency response procedures. School administrators will review safety and drill procedures with students and staff before the end of the first week of school. School safety and emergency information will also be shared with parents through school newsletters and at Back-to-School nights.

Many drills are held in coordination with the York-Poquoson Sheriff’s Office and the York County Department of Fire & Life Safety. To reduce confusion in the event of a true emergency, schools will not call or email families when a drill is held unless there are unusual circumstances.

Parent Information

Access to school facilities may be limited during an emergency as it may be necessary to keep the streets and parking lot clear for emergency vehicles. If it is hazardous for students to be released, everyone will be kept inside the school until notified by the authorities that it is safe outside. Schools will act with the safety of students in mind, and school official will always follow the directives of emergency personnel.

Parents are asked not to call or come to a school during an emergency. We understand and respect your concern, but it is essential that the telephone system is available for emergency communications and that staff are handling their emergency roles.

Emergency Notification

Parents will be notified of emergencies through the division’s rapid notification system. Parents are encouraged to remain close to their source of communication whether it is phone or email, to ensure they are receiving accurate and timely updates on the emergency from school division staff.

Search and Seizure

Lockers and other storage facilities are the property of the school board and are lent to the student for his/her use during school hours. School officials have the authority to open and inspect any and all storage spaces.

School officials also have the right to search any student and/or a student’s personal effects (e.g., purse, book bag) when there is reasonable suspicion to believe that the student possesses an item which violates the law, school policies and regulations, or which may be harmful to the school or its students. Such searches will be conducted by the administration with another person present. In no event will strip-searches of students be conducted.

The school administration has the authority to conduct routine patrols of student parking lots. Automobiles on school property are subject to search whenever a school administrator has reasonable suspicion to believe that illegal or unauthorized materials are contained in or on an automobile.

Random searches may be conducted on school property using metal detectors or dogs capable of detecting drugs, bombs and firearms. These searches may be conducted by school administrators or by law enforcement officers in coordination with school administrators. Canines shall not be used to search students.

Weapons of any nature, on school property or at school functions, are prohibited by policy and state law. The school administration has the authority to use stationary or mobile metal detectors to ensure that weapons and other dangerous objects are not brought onto school property or to school-sponsored functions.

School authorities may seize any illegal, unauthorized or contraband items or materials discovered on school grounds.

Section 504 of the Rehabilitation Act of 1973

Services for students who have been determined eligible under Section 504 of the Rehabilitation Act of 1973 are available in each school. Contact the building principal for information and referral procedures.
Sex Offender Registry Notification
Reference: School Board Policy KN

YCSD recognizes the danger sex offenders pose to student safety. Therefore, to protect students while they travel to and from school, attend school, or are at school-related activities, each school in YCSD shall request electronic notification of the registration or re-registration of any sex offender in the same or contiguous zip codes as the school. Such request and notifications shall be made according to the procedure established by the Virginia Department of State Police. Pursuant to School Board Policy KN, registered sex offenders are prohibited from being on school board property. Parents can access information on the registry at http://sex-offender.vsp.virginia.gov.

Special Education
Reference: School Board Policy IGBA

In accordance with the Individuals with Disabilities Education Improvement Act (IDEA), special education and related services are provided at no cost to eligible students with disabilities ages 2 through 21. A multidisciplinary team, including the parents or the adult student, determines eligibility for services based on evaluations conducted by school division and appropriate outside agencies. Disabilities include autism, deaf-blindness, developmental delay, hearing impairment, intellectual disability, multiple disabilities, orthopedic impairment, other health impairment, emotional disability, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment including blindness.

If your child received special education services in another locality, please provide the school with a copy of your child’s current Individualized Education Plan (IEP) upon enrollment or as soon as possible. For more information about special education, contact either your school principal or the director of student services. To refer a child for special education evaluation, please contact your school principal.

Note: Special education records are destroyed five (5) years after student withdraws, transfers to another school division, graduates or completes a board of education program.

The Early Childhood Special Education Preschool Program
Reference: School Board Policy IGBA

The Early Childhood Special Education Program (ECSE) is Part B of IDEA in Virginia and provides services for children from age two to kindergarten age who qualify according to state and federal law. The ECSE Program provides early intervention services for children who have delayed functioning; manifest atypical development or behavior; or have behavioral disorders that interfere with the acquisition of developmental skills.

Preschoolers may be found eligible for ECSE services under one or more of the 13 disability categories which are defined in federal and state regulations. The goals settings and related services that are needed to assist identified children’s development are individualized. School personnel working collaboratively with the child’s family develop an individualized plan with goals and objectives to meet the child’s developmental needs.

YCSD offers an Integrated Preschool Outreach Program (IPOP), a language-based preschool environment providing a wide variety of enriching activities in an educational setting which serves both students who are typically developing and those with special needs. The curriculum places emphasis on socialization and readiness skills.

The Virginia Preschool Initiative Program (VPI) serves at-risk students who have reached their fourth birthdays by September 30th and are not served by the Head Start Program. VPI is a family-focused, language-based preschool program where students are engaged in high quality educational activities with a primary focus on school readiness, health, nutrition and social skills. Students participate in all school-wide activities, including library, art and music classes.

Special Education Advisory Committee

The Special Education Advisory Committee (SEAC) advises and assists YCSD on various aspects related to special education services. Information about regularly scheduled meetings is posted on the YCSD website and school division TV channel. Parents/guardians are also notified through the schools and the notification system phone calls and
emails. Parents are encouraged to attend to hear presentations on relevant special education topics and to share information on issues and concerns regarding special education in York County. Each meeting includes a public comment period. For information about this committee, contact Student Services at 757-898-0308 or contact one of the SEAC committee members. This contact information is listed on the division’s website, yorkcountyschools.org

Anyone interested in serving on the SEAC should submit a letter stating his or her qualifications and reasons for wanting to serve as a committee member to the director of student services.

**Student Property**

Students should be cautious with valuable personal items to prevent loss. In addition, students should not carry large amounts of cash. Schools are not responsible for lost items or theft of student property. Possession of items forbidden in the conduct code or items that disrupt instruction may be confiscated by school personnel. In some cases, confiscated items will be returned only to parents/guardians. Illegal or contraband materials shall be turned over to the proper legal authorities for ultimate disposal.

**Telephone and Email Notification System**

YCSD uses an automated mass notification system to enhance school-to-home communications. Division and school staff use the system to notify parents/guardians of school closings, emergencies, student attendance and school events and activities via telephone and/or email.

To receive these messages, the school must have your up-to-date contact information. If you move, change jobs or obtain a new cell phone number, be sure to provide your child’s school with the new contact information so you will not miss a single notification message.

**Telephone Use**

The telephone is an essential instrument for school operation. Therefore, students will be allowed to use the classroom or office phone only in the event of unusual circumstances. Parents/guardians should limit requests for delivery of reminders or messages to students to only those of an urgent nature. Emergency or time-sensitive messages should be called into the front office and not left on classroom voice mail.

**Testing and Assessment**

*Reference: School Board Policy IKF and IKFA Standards of Learning*

By emphasizing the Virginia Standards of Learning (SOL) throughout the instructional process, YCSD provides its students with a sound instructional program and prepares them for state-mandated SOL testing that occurs in the spring. SOL tests are untimed. In elementary schools, students take the following SOL tests: Reading and Math (Grades 3 to 5), History (Grade 4) and Science (Grade 5). In middle school, students take the following SOL tests: Reading and Math (Grades 6 to 8), History, Science and Writing (Grade 8). End-of-Course SOL tests may be given to students, based on graduation requirements, in the following subjects taken for high school credit: Algebra I, Algebra II, Geometry, World History I, World History II, World Geography, U.S. History, Earth Science, Biology and Chemistry. All students are given the following SOL tests: English: Reading & Writing (two (2) tests given in grade 11 that cover English 9-11 SOLs).

All students are required to earn a certain number of verified credits to be eligible for a standard or advanced studies high school diploma. Verified credits for graduation are based on a passing score on the required end-of-course SOL tests or state-approved substitute tests. Intervention plans are available for students who do not achieve a pass/proficient rating on SOL tests. Test accommodations are provided for eligible students with disabilities as documented in an IEP or 504 Management Plan and as appropriate. Students identified as English Learners (EL) are also eligible for test accommodations as described in their EL Instructional Plan.

Students and families are strongly encourage to speak with the counseling staff or assessment and compliance coordinator at their school for information about schedules, deadlines and related
topics. More specific information for SOL tests is available online at www.doe.virginia.gov.

ACCESS FOR EL 2.0

In accordance with the requirements of the Every Student Succeeds Act, English Learners (EL) in grades K-12 must participate in language proficiency testing. The ACCESS for EL 2.0 test assesses speaking, listening, reading and writing skills of EL.

IOWA TEST OF BASIC SKILLS (ITBS)

The Iowa Test of Basic Skills (ITBS) is a nationally norm-referenced test that assesses reading, math, vocabulary and language. Students in grade 5 are tested in the fall, and students in grade 2 are tested in the spring.

NAGLIERI NONVERBAL ABILITY TEST (NNAT3)

The Naglieri Nonverbal Ability Test (NNAT3) is a nonverbal measure of general ability. Students in grade 1 are tested in the fall.

COLLEGE ENTRANCE EXAMINATIONS

- Scholastic Aptitude Test (SAT)
- SAT Subject Tests
- American College Test (ACT)

Most degree-granting colleges require an admission examination of some kind, as specified in their bulletins or catalogs. Also, most colleges and sponsors of financial aid programs asks students to take either the ACT or the College Entrance Examination Board (CEEB) tests. The fall dates of either program are recommended for seniors. The spring dates are recommended for juniors who plan to apply under an early decision plan or to military academies. The ACT and SAT are administered at Grafton High School.

The ACT measures ability to perform types of intellectual tasks typically required of college students. Subjects covered are English, math, social studies and natural sciences.

The SAT is a 3-hour test of critical reading, writing and mathematical abilities. Information booklets are available in counseling offices. The SAT Subject Tests are 1-hour tests in specific secondary school subjects. Colleges that require these tests of applicants specify the subjects and dates in their catalogs.

PRELIMINARY SCHOLASTIC APTITUDE TEST (PSAT)/NATIONAL MERIT SCHOLARSHIP QUALIFYING TEST (NMSQT)

Tenth grade students are provided the opportunity to take the Preliminary Scholastic Aptitude Test (PSAT)/National Merit Scholarship Qualifying Test (NMSQT). This test is administered at all York County high schools in October.

The PSAT/NMSQT is a shortened version of the SAT which measures critical reading, writing and mathematical abilities important in college work. While sophomores are encouraged to take the PSAT/NMSQT, the test is also recommended for juniors who plan to continue their education beyond high school. Taking this test is the first step in entering the National Merit Scholarship Program and the National Achievement Scholarship Program.

ADVANCED PLACEMENT (AP) EXAMS

Students enrolled in advanced placement (AP) courses are encouraged to take AP exams. Many colleges offer advanced placement, college credit or both to students who obtain satisfactory scores. These tests are administered at all York County high schools.

INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME (IB DP)

International Baccalaureate Diploma Programme examinations are available to students who complete courses in any or all of the six (6) IB DP subject groups: English A Language and Literature HL; Classical Languages Latin SL, French SL or HL, Spanish SL or HL; History of the Americas HL; Biology HL, Chemistry HL, Physics SL; Mathematical Studies SL or Mathematics HL; Geography SL, Theatre HL. Colleges and universities may award credit to students based on their IB grades in the courses. IB grades are determined by the International Baccalaureate Organization based on student performance on both internal assessments and the end-of-course examinations. The assessments are administered at York High School.
ARMED SERVICES VOCATIONAL APTITUDE TEST BATTERY (ASVAB)

This test is primarily for juniors and seniors. It measures aptitude in various vocational areas to provide assistance in determining possible life-long work-study goals. It provides an opportunity to view military service as a potential career option while examining alternative civilian options. The test’s scores are combined to form five (5) aptitude job clusters. The job reference guide lists civilian job categories and military job specialties for which one of the five (5) aptitudes is most relevant. Information regarding the ASVAB can be located in high school counseling offices. The ASVAB is administered at all York County high schools on an “opt-in” basis with parent permission. High schools in YCSD will not release test results to the military, unless requested by the student.

Transportation

REFERENCE: SCHOOL BOARD POLICY EEAB

Students who attend York County schools, and live within the county and outside of walking zones, are provided free transportation to and from designated bus stops to their zoned school. Transportation is also available for many after-school activities.

A copy of bus rider safety and behavior rules, along with an acknowledgment form, shall be sent to parents at the beginning of the school year. Acknowledgment forms must be completed by parents and returned to the school by the end of the first week of school.
In addition, pursuant to the Code of Virginia § 22.1-16, § 22.1-177 and § 22.1-178, initial student rider safety training at the Pre-K to grade 1 levels shall occur during the first week of school with additional training on a periodic basis during the year.

- Emergency exit drills shall be practiced by all student riders during the first thirty (30) instructional days and the second in the second semester.

SCHEDULES AND ROUTES

The Transportation Department establishes bus routes, bus and driver assignments, bus stops and pick-up times. Parents will be notified prior to the start of the school year if there is any change in bus routes or bus stop locations from the previous year. In addition, this information is mailed to all kindergarten, sixth grade, and ninth grade students, as well as all new students whose registration is received by Transportation prior to the third week in August.

Bus services will not be provided on dead-end streets or roads that are less than a quarter mile from a principal road or street. In addition, bus service will not be provided on those roads, which have not been accepted by the Virginia Department of Transportation for maintenance.

BUS STOPS

Secondary students may be required to walk up to four- tenths of a mile and elementary students a quarter mile to a bus stop. Bus stops for after-school activities can require some secondary students to walk up to one (1) mile. Students should arrive at the bus stop no more than fifteen (15) minutes and no less than ten (10) minutes prior to the time for them to be picked up. Parents/guardians or their designee are encouraged to accompany their young children to and from the bus stop and remain until the bus has loaded or unloaded. Students are expected to stand quietly in line while waiting for the bus and to remain out of the street. Unavoidable bus delays occasionally occur; therefore, students should remain at the bus stop for at least fifteen (15) minutes beyond normal pick up time.

KINDERGARTEN TRANSPORTATION

Kindergarten students are transported to and from school with students in grades 1 through 5 who live in the same neighborhood. At the end of the school day, kindergarten students are dropped off at the bus stop with other students who are exiting the bus. If a kindergarten student is the only child at the bus stop, a parent (or other adult with permission to care for the child) must be present at the bus stop or the child will be returned to school.

Parents who do not want their child to be dropped off with other students must notify the transportation department and the principal at the elementary school their child attends.

REQUESTING BUS CHANGE

Requests from parents for a student to occasionally ride a bus different from their regular bus for special activities must be in writing. A permanent bus change must be in writing and forwarded to the associate director of vehicle maintenance and transportation. If a student is going home with another student, parents of both students must send a note requesting the change. Generally, school buses operate at capacity; therefore, permission may be given for baby-sitting purposes but not necessarily for other activities (e.g., parties, visit to play).

NON-STUDENTS ON BUSES AND/OR FIELD TRIPS

Insurance regulations prohibit any child not enrolled in YCSD from riding school buses. Note: This includes the children of parents who chaperone field trips on school buses. Parents/guardians should not board the bus at any time without permission.
Students who ride the bus fall under the behavior expectations and guidelines found in the Student Handbook and Code of Conduct. School officials can investigate and provide disciplinary sanctions for student behaviors and conduct that occurs, on the bus, at the bust stop, and while in transport from the bus stop to their primary residence.

TRANSPORTATION TO SPECIAL INSTRUCTIONAL PROGRAMS

YCSD will allow students to enroll in instructional programs in schools other than their home schools and will provide transportation for the following programs:

1. Enrollment in the School of the Arts (SOA) program
2. Enrollment in the NJROTC program
3. Enrollment in the International Baccalaureate (IB) program
4. Enrollment in the Governor’s School and New Horizons Educational
5. Enrollment in the Fine Arts Magnet Program at Waller Mill Elementary School (Magruder Elementary students only)

Video Surveillance

Video surveillance equipment will be used to monitor security and student behavior in high traffic areas of the schools or on school buses. Surveillance equipment may or may not be monitored at any time. Video recordings may be used for disciplinary purposes. Law enforcement representatives may view video recordings pertaining to criminal investigations.

Volunteers

Volunteers play a vital role in each of our schools. Volunteers assist in the front office, in the classroom and on field trips. Volunteers also may act as mentors to students in our schools. If you would like to volunteer, or if you have questions about a school’s volunteer program, please contact your child’s school for more information. Non-parent volunteer information can be found on the division website at yorkcountyschools.org/community/volunteers.

Visiting Schools

REFERENCE: SCHOOL BOARD POLICY KK

All visitors must report to the office where they will be issued a visitor’s pass. Proper identification may be required before a visitor’s pass is issued.

Students from other schools inside or outside the county are forbidden to come on the campus of another school without a specific reason (e.g., to pick up a brother or sister, tutoring).

Parents wishing to visit classes should contact the school principal in advance of the proposed visit and arrange an appropriate visitation schedule. They also must obtain a visitor’s pass prior to going into classrooms. Passes must be visibly displayed throughout any visit to the school.

Walking to School

Walking to school is discourage except in neighborhoods for which no transportation is provided (see Transportation Schedules and Routes). Students must have written permission from parents and the approval of the school to walk from neighborhoods in which transportation is provided. Walkers should not arrive at school more than 15 minutes before the beginning of the school day. Walkers must wait until buses have departed before leaving school grounds.

Any other information needed in reference to school division transportation should be directed to the transportation department at 757-898-0344.

Withdrawals

Parents/guardians are requested to notify the school office and the teacher at least one (1) week in advance of withdrawing students from school so that there will be adequate time to prepare records.

If a student withdraws prior to the last fifteen (15) days of school, grades to date will be given, but no indication of promotion/retention will be made on the report card. If a student withdraws within the last fifteen (15) days of the school year, final grades and grade placement for the next school year will be indicated. Upon request, parents may hand carry their child’s records to the new school. Parents must pick up these records in person and sign a release form for them. If records are to be sent directly to the
receiving school, a release form should be signed by the parent. Patents may review their child’s records by contacting the school to schedule an appointment.

**Work Permits**

Work permits are no longer obtained from the schools. The Virginia Department of Labor and Industry issues work permits, now called employment certificates. More information may be found at: [http://www.doli.virginia.gov/laborlaw/employment_certificate_instructions.html](http://www.doli.virginia.gov/laborlaw/employment_certificate_instructions.html).
Elementary Schools

Elementary Instructional Program

The elementary instructional program is based on developmentally appropriate practices for children kindergarten through grade 5. Within the learning environment, the intellectual, social, emotional and physical growth of students are considerations in daily instruction. The program offers opportunities for the learning of meaningful content, individual development and cooperation with others. The Virginia Standards of Learning are the foundation of each content area.

ENGLISH: READING

Reading is the core of the elementary program. Comprehension, phonics, word patterns, structure and other strategies are taught. The reading program uses the rich language of literature and ideas from other content areas such as history and science to expand vocabulary, meaning and interest for the learner. Skills are developed as students read for understanding. Utilization of a wide variety of instructional materials such as textbooks, literature (prose and poetry), library books, reference materials, magazines, computer software and newspapers enhance the English program.

ENGLISH: WRITING

Writing, speaking and listening are important communication skills closely linked to the reading program. Students are encouraged to express ideas and share information through the writing process. Composition skills of grammar, spelling and mechanics are developed by drafting, editing, rewriting and publishing. Journals, stories, poems, essays, letters, reports, presentations and dramatizations are among the ways students are taught to communicate effectively.

MATHEMATICS

Concepts, computation and problem solving provide the foundation for a mathematics program designed to develop skill and competency in each student. Manipulative materials are used extensively in mathematics instruction to promote student understanding and ability to apply mathematical principles.

HISTORY/SOCIAL SCIENCES

The study of families, communities, the Commonwealth of Virginia, the United States and ancient world cultures reveals an ever-expanding vision of the world for the elementary student. Exploration of history, cultures, customs, geography, economics, civics and current events are key components of history/social science instruction.

SCIENCE

In the elementary program, the study of science includes experiments, field experience and “hands-on” investigations designed to provide meaningful learning about the physical and biological world. Textbooks, laboratory materials, trade books and scientific equipment are used to develop scientific literacy.

RESOURCE CLASSES

In addition to the core content areas, elementary students also receive instruction in health and physical education, the fine arts and library skills. Health education is organized around three (3) content strands: essential health concepts, healthy decisions, and advocacy and health promotion. The physical education standards are grouped into five (5) overarching content strands: motor skill development, anatomical basis of movement, fitness planning, social development, and energy balance. Fine arts instruction includes active learning in the visual arts and music, as well as performance and exhibit opportunities. In the library resource class, students engage in research and reference activities as well as select books for independent reading.

Fine Arts Magnet – Waller Mill Elementary

At the Fine Arts Magnet, students in grades 1 through 5 receive enrichment and instruction in choral/exploratory instrumental music, drama, visual arts and dance. Young artists work together to prepare performances and create exhibitions that display their appreciation of the arts, develop critical thinking and problem-solving skills, and enhance self-esteem. In addition, specific activities develop
creativity and critical thinking, and students benefit from partnerships with community fine arts groups and organizations. Excellence in the arts is both a natural extension of the academic program and an integral part of the core curriculum.

The curriculum for this magnet program integrates the fine arts into core academic areas (e.g., history: a study of the music and art of a particular time period as a reflection of the culture and society of that era). The interdisciplinary focus of this arts and academics program provides students with core instructional hours similar to those of non-magnet school students and prepares them for the Standards of Learning tests.

Literacy and math instruction continue as appropriate at all grade levels. Please call 757-220-4060 for additional information.

**Math, Science & Technology Magnet – Yorktown Elementary**

The Yorktown Elementary Magnet Program provides students in grades 1 through 5 with enriched instructional opportunities in the areas of math, science, and technology. Lessons are designed to encourage critical thinking and to prepare students for globally relevant careers. Through an interdisciplinary approach to learning young mathematicians, scientists, engineers, and technologists expand their educational horizons, while they develop collaborative problem-solving skills.

Students participate in a wide variety of math, science and technology activities that facilitate the development of scientific inquiry skills. Students also benefit from mentoring by real-world mathematicians and scientist. Science, Technology, Engineering, and Math (STEM) design briefs, transformative learning experience, and research-based projects, that are delivered in the resource setting, integrate technology and focus on practical applications of science, engineering and mathematics. STEM resource teachers work collaboratively with classroom teachers to enrich instruction through cross-curricular integration.

The Math, Science & Technology Magnet integrates math and science into the other academic areas of English, reading, and social studies through the use of technology and multi-disciplinary activities. This integrated approach provides students with traditional hours in all academic areas and prepares them for the Standards of Learning Assessment. Students participate in the traditional resource areas of physical education, music, art, and library with the addition of STEM learning opportunities.

Please call 757-898-0358 for additional information.

**Middle and High Schools**

**Academic Programs and Recognition**

**Community Service Seal**

The YCSD Community Service Seal offers recognition for students who perform 150 or more hours of community service during grades 9 through 12. The optional program began with students who entered ninth grade during the 2011-12 school year. After the 2011-12 school year, students who transfer into YCSD the summer before or any time during grades 10 through 12 are required to complete a prorated number of hours. Students who successfully complete the Community Service Program are recognized with the Community Service Seal on their diplomas.

**Honors Program**

The YCSD Honors Program is designed to provide students in grades 8 through 12 with the opportunity to complete a rigorous academic program. Eligible students choosing to participate in this program are required to complete courses prescribed by the Honors Program, maintain a specific grade point average and complete 20 hours of community service outside of school. For going beyond the state’s requirements for an Advanced Studies Diploma, students who successfully complete the Honors Program are recognized with the Honors Seal on their diplomas.

**Middle School Arts Magnet**

The Middle School Arts Magnet (mSAM) provides students in grades 6 through 8 with a creative and
challenging arts experience. Interested middle school students may apply for this program at Queens Lake Middle School (QLMS). Learning activities encourage students to work independently and collaboratively to develop their appreciation of the arts as well as develop critical thinking and problem-solving skills. Literary arts, theatre arts and dance arts classes are delivered at the School of the Arts (SOA) at Bruton High School; students complete the remaining core and elective middle school courses at QLMS. All students participating in mSAM are enrolled at QLMS as their home school. For additional information, call 757-220-4080.

**INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME (IB DP)**

The International Baccalaureate Diploma Programme (IB DP) is a college preparatory course of study for academically talented students in grades 11 and 12. Admission to the York High Pre-Diploma Program and Diploma Programme is by application. All IB DP course are taught by instructors trained in IB instruction at workshops conducted by the International Baccalaureate Organization (IBO). The courses are designed to develop strong writing, time-management, and critical/higher order thinking skills in students. In addition, through these courses, each student is exposed to the internationally minded, inter-disciplinary nature of the IB liberal arts curriculum.

The IB DP spans grades 11 and 12. IB courses marked SL (Standard Level) require a minimum of 150 instructional hours. Courses marked HL (Higher Level) require 240 instructional hours. All IB DP courses carry weighted credit. In addition to courses from six subject groups, the following are requirements of the IB DP: a Theory of Knowledge (ToK) course, successful completion of Creativity Activity Service (CAS), and an Extended Essay (4,000 words of original research). Students who successfully complete the full requirements of the IB DP in grades 11 and 12 and who pass six examinations (at least three at HL) are eligible to receive the Diploma of the International Baccalaureate (issued by the IBO) in addition to the appropriate YCSD diploma. Students who complete the IB DP course components but pass fewer than six IB examinations are eligible to receive IB certificates for the IB DP examinations, in addition to their YCSD diploma.

Students in grades 11 and 12 who are not enrolled in the full IB DP may enroll in an IB course provided there is space available, there is no equivalent AP course offered at York High, and all course-specific prerequisites have been met.

Students are responsible for the costs associated with all examinations as well as the IB registration fee. Students with demonstrated financial need may request a waiver of the IB registration and examination fees from the principal.

In YCSD, The IB DP is housed at York High School. Applications for the Pre-Diploma Program and IB DP may be obtained from the school counseling office at each middle and high school. Please contact the program coordinator for International Baccalaureate at 757-890-5014 for additional information.

**SCHOOL OF THE ARTS**

The York County School of the Arts (SOA) is designed to provide high school students with enriched and challenging fine arts educational opportunities in Advanced Literary Arts, Theatre Arts, Technical Theatre, and Dance Arts. SOA is located at Bruton High School and is open to students in grades 9 through 12 in YCSD. Admission to SOA is determined by application/audition. Students must maintain a specified GPA each semester to continue in SOA. Please contact the SOA coordinator at 757-220-4095 for additional information.

**VIRTUAL LEARNING PROGRAM**

The goal of the Virtual Learning Program is to offer anytime, anywhere education to secondary students (grades 6 through 12). Additionally, various AP and elective courses are offered online through the Virtual Advanced Placement School sponsored by the Virginia Department of Education. Coursework offered online by highly qualified teachers provides students with opportunities for expanded course selection, solutions to course conflicts and summer academic online courses. For information, contact the Coordinator of Online Learning at 757-898-0454 and visit the division website, https://yorkcountyschools.org/virtualLearning/.
York River Academy

York River Academy (YRA), a charter school operated by YCSD on the campus of Yorktown Middle School, is designed to provide selected students in grades 9, 10, 11 and 12 with an innovative academic and career-preparatory education in core subject areas with emphasis on information technology. Applications for YRA may be obtained from the counseling department in each middle and high school. Please contact the YRA principal at 757-898-0516 for information.

Academic Achievement

Middle schools recognize outstanding academic achievement as follows:
- Honor Roll posted
- Certificates for all “A’s”

High schools recognize outstanding academic achievement as follows:
- Awards will be made based on academic achievement after the third quarter. Each award will be based on the previous year’s third and fourth quarters and the first and second quarters of the current year.
- Students with a cumulative 3.75 grade point average or above for four quarters will be awarded a school letter, an honors pin and a certificate. Duplication in following years will be recognized as determined by the individual school.
- Students with a cumulative 3.25 to 3.749 grade point average for four quarters will be awarded an honors pin and a certificate. Duplication in following years will be determined by the individual school.
- Upon receipt of an academic letter, the student is entitled to purchase a letter jacket.

Note: High schools compute GPA for outstanding achievement according to class ranking practices.

Clubs and Activities

The policy governing membership in school clubs and organizations, and the duties and responsibilities of these groups, is basically the same at all division middle schools and high schools. Information concerning membership privileges and responsibilities may be obtained from sponsors. With certain specified exceptions, high school students are required to pass a minimum of five subjects, or the equivalent, during the semester prior to participation in extracurricular activities. Credit for summer school work must be applied to the immediate preceding semester.

Driving and Parking

1. Only those students in work-study programs, in mentorships and practicums, with medical excuses, or with special permission of the principal have permission to have vehicles on school property.
2. Driving/parking permits are issued by the principal or his/her designee.
3. Violators are subject to loss of permits, suspension and/or removal of vehicles.
4. All vehicles parked on school property must be locked.
5. Students who drive vehicles onto school property are responsible for any and all contents in the vehicles.
6. All vehicles on school property are subject to search.
7. All students will be charged a parking fee of $50 per semester for a total of $100 for an academic year. A $5 fee will be charged to the following:

Explanations and Clarifications

1. Mathematics: For the Advanced Studies Diploma, the courses completed to satisfy this requirement shall include at least three different course selections from among Algebra I, Geometry, Algebra II, or other mathematics courses above the level of Algebra II. Per the Standards of Quality, a computer science course credit earned by students may be considered a mathematics course credit. AFDA must be taken prior to Algebra II for credit towards the advanced studies graduation requirement; if out of sequence, the course will count as a math elective. For the Standard Diploma, the courses completed to satisfy this requirement shall include at least two different course selections from among: Algebra I, Geometry, Algebra Functions and Data Analysis, or Algebra II. Computer Mathematics may be used in conjunction with Algebra I and Geometry to satisfy mathematics graduation requirements if the student also completes a career and technical concentration. Per the Standards of Quality, a computer science course credit earned by students may be considered a mathematics course credit. Standard Diploma credit accommodations for students with disabilities may include three standard credits in mathematics that include Algebra I (Part I and Part II each count as one math credit) and Geometry (Part I counts as one math credit and Part II counts as an elective credit), and one verified credit in mathematics. In order to receive math credit for Geometry Part I, students must also complete Geometry Part II.

2. Science: For the Advanced Studies Diploma, credits must be from at least three different science disciplines: Earth Science, Biology, Chemistry, or Physics or completion of the sequence of science courses required for the International Baccalaureate Diploma. Per the Standards of Quality, a computer science course credit earned by students may be considered a science course credit. For the Standard Diploma, the courses completed to satisfy this requirement shall include course selection from at least two different science disciplines. Per the Standards of Quality, a computer science course credit may be considered a science course credit.

3. History & Social Science: For the Advanced Studies Diploma, credits must include World History to 1500 AD or AP Human Geography, World History from 1500 AD to the Present or AP European History, Virginia and U.S. History, and Virginia and U.S. Government. The superintendent or superintendent’s designee may waive specific local course requirements for transfer students or students moving out of the IB Diploma Program, as long as all requirements set forth by the Code of Virginia and State Board of Education are met. For the Standard Diploma, YCSD requires one additional History and Social Science credit beyond the minimum course and credit requirements required in the Standards of Accreditation (8 VAC 20-131-50) governing diploma requirements for the standard diploma. As stated in the Secondary Program of Studies, credit accommodations provide alternatives for eligible students with disabilities to earn verified credits required to graduate with a standard diploma. These credit accommodations include the use of alternative courses to meet the standard credit requirements. As such, the superintendent or the superintendent’s designee may permit, in limited circumstances, a student with a disability who qualifies for credit accommodations to earn a standard diploma by meeting the minimum requirements as outlined in the Standards of Accreditation. A division panel will review requests for consideration on a case by case basis.

4. World Languages: For the Advanced Studies Diploma, credits must include three (3) years of one language or two (2) years each of two (2) languages.

5. World Languages, Fine Arts, or Career/Technical Education: For the Standard Diploma, credits for this requirement shall include one credit in fine or performing arts or career or technical education. Per the Standards of Quality, a computer science course may be considered a career and technical education credit.

6. Electives: For the Advanced Studies Diploma students must earn three (3) electives. Courses to satisfy this requirement shall include at least two sequential electives as required by the Standards of Quality. For the Standard Diploma, credits must include at least two (2) sequential electives. Students who are permitted to earn a standard diploma by meeting the minimum requirements as outlined in the Standards of Accreditation will be required to earn (3) three elective credits.

7. Virtual Course: For the Standard and the Advanced Studies Diploma students entering 9th grade for the first time in 2013-14 shall successfully complete one virtual course, which may be a noncredit-bearing course or a required elective credit-bearing course that is offered online.

8. First Aid/CPR/AED: Students entering the 9th grade for the first time in the 2016-17 school year, will be trained in emergency first aid, cardiopulmonary resuscitation, and the use of automated external
defibrillators, including hands-on practice of the skills necessary to perform cardiopulmonary resuscitation.

9. Career/Technical Education Credential: Students entering 9th grade for the first time in 2013-2014 pursuing a Standard Diploma shall earn a career and technical education credential approved by the Board of Education to graduate with a **Standard Diploma**. Students with an Individualized Education Program (IEP) or 504 Plan which documents that they cannot successfully complete this training shall be granted a waiver from this graduation requirement, as provided in 8VAC20-131-420 B. Students enrolled in Economics & Personal Finance will take two industry certification tests: The WISE Financial Literacy Test and the Workplace Readiness Skills for the Commonwealth.

Students entering 9th grade for the first time in 2018-2019 must either earn a career and technical education credential or complete an Advanced Placement, International Baccalaureate of honors course to graduate.

**Requirements for an Applied Studies Diploma**

In accordance with the requirements of the Standards of Quality, a student with disabilities who completes the requirements of his or her Individualized Education Plan (IEP), meets certain requirements prescribed by the Board of Education, and who does not meet the requirements for other diplomas shall be awarded an Applied Studies Diploma. Students receiving an Applied Studies Diploma are eligible to receive special education services through the age of 21.

**Requirements for a Certificate of Program Completion**

This certificate option is for students who have sufficient credits for a Standard or Advanced Studies Diploma, but who have not met all of the requirements of those diploma options (i.e., verified credits).

**High School Equivalency Credential (HSE) Formerly Known as the GED**

The HSE Battery includes four tests that measure the skills considered to be the major outcomes of a high school education. The tests focus on the major use of skills and concepts rather than upon recall of specific facts. The questions focus on the general abilities to analyze, evaluate and draw conclusions. The subject areas of the tests are as follows:

- Test 1 – Language Arts
- Test 2 – Social Studies
- Test 3 – Science
- Test 4 – Mathematics

**General Achievement Diploma (GAD)**

For additional information, contact a school counselor.

**Expectations**

YCSD expects that students enrolled in a York County high school for at least the last 2 years of high school will:

1. Successfully complete course work in preparation for higher education and/or be a vocational completer,
2. Earn an Advanced Studies Diploma or a Standard Diploma or

A. Certain students identified with disabilities who complete the requirements of their programs shall be awarded an Applied Studies Diploma by the local school board.

B. Certain students who have completed a prescribed course of study as defined by the local school board shall be awarded a Certificate of Program Completion by the local school board.

**Note:**
- Electives must be approved by a school counselor and must be in accordance with the educational career plan of the student.
- Courses with low enrollment or requiring special facilities may not be offered at all locations or not offered during a given school year.
- Courses taken by high school students at colleges or other institutions outside YCSD must **approved in advance by the principal** for high school credit to be awarded. **Verified Credits**

All students are required to earn verified credits by passing a specific number of End-of-Course SOL tests.
in certain subject areas prior to high school graduation.

When students below the ninth grade successfully complete courses offered for credit in grades 9 through 12, credit shall be counted toward meeting the standard units required for graduation. To meet federal requirements, students in grades 9 through 12 must take and pass one (1) mathematics SOL test to graduate with the Standard or the Advanced Studies Diploma. For instance, a student who earned the required verified credit in mathematics by passing the Algebra I test as an eighth grader would have to take either the Geometry or Algebra II SOL test once in high school.

**ADDITIONAL INFORMATION**

1. Only those students completing requirements for graduation during the summer, fall or first semester will be eligible to participate in commencement exercises the succeeding spring. Foreign students who complete the requirements for graduation in their respective countries will be allowed to participate in York County commencement exercises at the school that they attended.

2. In order for a student to participate in commencement exercises, it is required that the student be present and participate in practice for the event.

3. Students who do not participate in commencement exercises are to be handed their diploma by a member of the school administration as soon as practical following the regular commencement.

4. Graduation is a formal affair and one that will be remembered by students for the rest of their lives. The attire of cap and gown worn at graduation is very formal and the clothing worn under the gown should reflect the formality of the occasion. Exceptions or additions to the recommended attire must be approved by the principal.

**Social Networking and the Use of Web Resources**

The internet’s portability and access to mobile technologies has increased active engagement and learning in the classroom. Social networking enables learners to connect, collaborate and form virtual communities. Students and teachers are able to use various web-based collaboration, communication and presentation tools solely to support instruction. Teachers will monitor and educate students about online safety and responsible use of social networking applications.

**Uniforms**

Uniforms for cheerleaders, majorettes and other school marching or performing units may be prescribed as part of the requirements of membership. Requirements may be different for middle and high school students depending on the physical demands of the program.
Dear Parents/Guardians:

Schools do the best job of educating your children when they can concentrate on teaching and not on maintaining order. We must all work together. Both the home and the school must support the proposition that students have responsibilities as well as rights.

When you think we are right, back us at home. When you think we are wrong, come to school and discuss it with us. That is a reasonable course for people who have the same goal – a good education for your child in a well-disciplined environment.

You can begin by reading this conduct code, discussing it with your student, and signing and returning the parental acknowledgement form at the back of this handbook.

Thank you for your support.

Student Rights

A right is a privilege to which one is justly entitled.

Students in YCSD have both rights and responsibilities. It is the obligation of the school division to protect those rights and insist upon those responsibilities.

ALL STUDENTS HAVE THE RIGHT TO:

1. EQUAL EDUCATIONAL OPPORTUNITY

   The schools must provide all students a chance to get an education. This means free admission to the schools and the right to attend school until the age of 18 or graduation from high school.

   Students will not be denied participation in any curricular or extracurricular activity because of race, color, creed, sex, national origin, potential affiliation or belief except as permitted by state or federal law.

   Students have the right to equal educational opportunity without interference from other students and from trespassers on school board property.

   Students who fail to graduate or who fail to achieve the number of verified credits required for graduation have the right to a free public education until the year in which the students reach their 20th birthday on or before August 1. Students for whom English is a second language have the right to a free public education through the age of 21. *(Code of Virginia §22.1-253-13-4C)*

2. FREE EXPRESSION

   Students are entitled to express their opinions both verbally and in writing. This right does not entitle them to misinform, slander and/or display pornography.

   No form of expression shall interfere with the right of others to express themselves or with the conduct of school and classroom activities.

3. FREEDOM OF ASSEMBLY

   Students, with the approval of the principal, may hold meetings at a time, place and in a manner which does not disrupt or disturb classroom instruction.

4. DUE PROCESS

   Students facing disciplinary action are entitled to fair procedures to determine if they are at fault.

   Students are entitled to appeal decisions resulting in disciplinary action such as suspension, expulsion, exclusion or transfer to another school.
Student Responsibilities

A responsibility is an obligation one has because it is right.

ALL STUDENT HAVE THE RESPONSIBILITY TO:

1. **PROTECT THE RIGHTS OF OTHERS TO STUDY AND LEARN**
   Parent/Guardians send their children to school and students attend school for an education. An individual may decide not to take advantage of that opportunity. However, no one has the right to interfere with the education of others.

2. **ATTEND SCHOOL DAILY UNLESS ILL OR LEGALLY EXCUSED**
   In Virginia, a student is required by law to attend school until the age of 18. Schools cannot educate students who do not attend class, and schools will not promote or allow to graduate those who do not attend. Parents/guardians are encouraged to call the school when their child will be absent or tardy.

3. **BE ON TIME FOR ALL CLASSES**
   Students who enter a classroom after a less has begun are interfering with the rights of others to learn and study. Punctuality is a habit. Future employers are not going to take the time to teach it.

4. **ABIDE BY STUDENT CONDUCT CODE**
   The conduct code is designed to allow a school to meet its obligation to educate students. The schools cannot achieve this task if school personnel must spend much of their time maintaining order.

5. **VOLUNTEER INFORMATION AND COOPERATE WITH SCHOOL STAFF IN DISCIPLINARY CASES**
   Every community depends upon the willingness of citizens to play a part in upholding the rules. It is wrong to expect help when your rights have been violated but refuse to help others protect theirs.

6. **COMPLETE ALL IN-CLASS AND HOMEWORK ASSIGNMENTS AND MEET DEADLINES**
   The full responsibility for learning cannot be transferred from the student to the teacher. There can be no effective education when students are free to decide whether or not they will do the assigned work. Everything that must be learned cannot be accomplished during the school day.

7. **RESPECT PUBLIC PROPERTY AND CAREFULLY USE AND RETURN ALL MATERIALS AND EQUIPMENT**
   Schools are a community’s gift to its young people. It is wrong to abuse that gift. It forces the people to spend additional money in order to provide the same opportunities for those students who come after you.

8. **COME TO CLASS WITH NECESSARY BOOKS AND MATERIAL**
   A teacher should not have to delay starting class because a student has come unprepared to begin work. This is interfering with the rights of others to learn and study.

9. **SEE THAT SCHOOL CORRESPONDENCE TO PARENTS REACHES HOME**
   Education requires a partnership between the parent/guardian and the school. For a partnership to work, everyone must know what is happening – good and bad. Sometimes students are asked to be the messenger. Often, students are told to meet their responsibility to be honest and not intercept and destroy progress reports, attendance information and other communication sent from the school to parents/guardians.

10. **DRESS APPROPRIATELY FOR SCHOOL**
    YCSD recognizes the importance of a division-wide dress code in promoting and maintaining an orderly and safe learning environment. The purpose of the dress code
is to encourage students to dress in a responsible manner suitable for the school setting and their future workplace. Attire that causes substantial disruption to the learning environment or is deemed a safety hazard will be addressed by the school principal or principal designee. The following guidelines apply to all students while in attendance at the school or school-sponsored events during the school day. The principal or principal designee at each school reserves the right to determine what dress and appearance is appropriate for the learning environment. The school administrators will make every effort to be fair in monitoring and addressing dress code violations.

**Dress Code**

**Pants/Shorts/Bottoms**

- Dresses, skirts, shorts, athletic shorts, or other similar clothing must be at least mid-thigh in length (typically mid-thigh would be below the tip of the thumb when placed at sides – arms straight with palms down). We want students to be comfortable however, when students sit or bend over, their buttocks should not be exposed.
- All pants must be worn at the natural waistline.
- Ripped/distressed pants with loose hanging fabric, rips/holes over the buttocks or that expose undergarments will not be permitted.
- All pants/shorts/bottoms should not pose a safety hazard.

**Shirts/Tops**

- Shirts must cover torso (including back) and midriff. Muscle shirts, tube tops, halter tops, or shirts with spaghetti straps may not be worn during the school day
- Shirt material may not expose anything being worn as an undergarment.

**Headgear**

- Hats, caps, hoods, bandannas and sunglasses may not be during the school day. Headwear may be worn for educational, religious, or medical purposes, or if the headgear has a necessary function (e.g., headbands).

**Footwear**

- Footwear must be worn at all times. Safety considerations may dictate the type of footwear worn in specific classes or school settings.

**Students’ clothing, haircuts, tattoos or other accessories may not display any of the following:**

- Weapons
- Pictures of tobacco products
- Drugs
- Alcohol
- Nudity
- Vulgarity
- Obscene, lewd, or profane words
- Inflammatory racial statements that can be perceived as gang affiliated
- Other prohibited expressions as outlined by the principal

Violation of the student dress code regulation will subject the student to disciplinary action by the school’s administration per the Student Handbook and Conduct Code.
Citizenship

*Citizenship is more than not breaking rules.*

The YCSD’s character education program is designed to build the student’s capacity to become a civic-minded participant in the school, community and society by the time the student completes high school. Through this model, character education is integrated into the K-12 instructional program, the school procedures and the school environment.

A major goal of the YCSD’s character education program is to join with parents in helping students develop responsible attitudes and behaviors in an effort to prepare them for adult citizenship as well as for work and further education. For this reason, it is as important for the school to teach and evaluate citizenship, as it is to teach and evaluate academic work. Character education traits including caring, citizenship, fairness, trustworthiness, respect and responsibility.

Citizenship Guidelines:

Teachers are required to discuss the following citizenship standards with their students:

1. Attend class regularly except for excused absences.
2. Arrive to class on time.
3. Come to class with necessary materials.
4. Complete homework assignments.
5. Meet deadlines.
6. Do own work when independent work is required.
7. Participate in class activities and discussions.
8. Exercise reasonable care of school property.
9. Show respect for others.
10. Exercise good conduct.

Elementary Schools:

Students in elementary school will receive a quarterly citizenship evaluation based on the citizenship displayed at school. Comments that support the citizenship evaluation may also be included on the school report card.

Secondary Schools:

Students in secondary schools do not receive an official evaluation on citizenship, however, teachers may include comments relating to citizenship on the report card. In addition, schools are encouraged to recognize good citizenship during the school year. Secondary students who exhibit “unsatisfactory” citizenship may have the following privileges withdrawn:

1. Athletics
2. After-school recreation
3. School clubs
4. Student government
5. Public performance of music, dance, drama, cheerleading and speech that are not required as part of the classroom curriculum
6. Special field trips not a part of regular classroom work, and/or
7. School dances and assemblies
8. Graduation ceremony
9. Bring-Your-Own-Technology privileges
Bullying Prevention, Cyberbullying, and Reporting

Definition: The Code of Virginia §22.1-276.01 defines Bullying as,

“any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. ‘Bullying’ includes cyberbullying. ‘Bullying’ does not include ordinary teasing, horseplay, argument, or peer conflict.”

Cyberbullying
Cyberbullying occurs when an individual or group of individuals use communication technologies – such as cell phones and computers – in a way that meets the definition of bullying. Cyberbullies use voice messages, email, text messages, photo images, videos, polling web sites and/or personal web pages to repeatedly harass, intimidate or embarrass another person or group of people.

Warning Signs
Possible warning signs that a child is being bullied:
• Has few, if any, friends with whom he or she spends time;
• Seems afraid of going to school, walking to and from school, riding the school bus, or taking part in organized activities with peers (such as clubs);
• Takes a long, “illogical” route when walking to or from the bus stop or school;
• Has lost interest in school work or suddenly begins to do poorly in school;
• Appears sad, moody, teary, or depressed when he or she comes home;
• Complains frequently of headaches, stomachaches, or other physical ailments;
• Comes home with torn, damaged, or missing pieces of clothing, books, or other belongings;
• Has trouble sleeping or has frequent bad dreams; or
• Experience a loss of appetite

What to do if you suspect that your child is being bullied?
1. Talk with your child. Tell your child that you are concerned and that you would like to help.
2. Talk with staff at your child’s school. Call or set up an appointment to talk with your child’s teacher. He or she will probably be in the best position to understand the relationships between your child and other peers at school. If you are not comfortable talking with your child’s teacher or if you are not satisfied with the conversation, make an appointment to meet with your child’s counsel or principal to discuss your concerns.
3. If, after talking with your child and staff at his or her school, you do not suspect that your child is being bullied, stay vigilant to other possible problems that your child may be having. Share your concerns with a counselor at your child’s school.

Children Who Witness Bullying Can Help
Bystanders often feel uncomfortable when they see another child bullied. Many do nothing to stop the bullying. They may even join in the bullying to avoid becoming targets themselves. Adults can help by persuading children to become “heroes” by standing up for others or by reporting the bullying to a parent or teacher. Research shows that most bullying incidents end when bystanders speak up for the victim.

Reporting Bullying Behaviors
YCSD has several mediums available for families and students to report incidents of bullying or cyberbullying.
• Tell a trusted adult.
• Call the YCSD Hotline 890-5000.
• Online at yorkcountyschools.org/Reportit
• Report it! On the YCSD App.

Reports made online or to the HOTLINE are confidential. Reports are retrieved and investigated daily. Reports made after 5 pm will be retrieved by 8 am the next business day. For emergencies, always call 911.
Bus and Bus Stop: Student Responsibilities and Expectations

Reference: School Board Policy EEA

To ensure the safe transport of students to and from school and school-sponsored activities, students are required to conduct themselves in a manner consistent with the Code of Conduct. Students who attend York County schools and live within the county and outside of walking zones are provided free transportation to and from designated bus stops to their zoned school. Riding the bus is a privilege and should be respected and valued. School bus rules apply when traveling for extra-curricular trips under school sponsorship. It is the school division’s goal to provide students a safe environment when riding on the school bus. The following expectations are instituted to maintain safety and order.

Walking to the Bus Stop or School

- If possible, walk with a buddy or in groups of at least two (2) or three (3) friends.
- Try to walk on the sidewalks. If there are no sidewalks, walk facing traffic.
- Be on time, and leave plenty of time to walk safely to the school or bus stop.
- Use caution and cross streets only at corners or crosswalks.
- Remain alert at all times by refraining from wearing headphones or texting while walking.
- Wait for the school bus at least ten (10) feet from the road and further away if the weather is bad.
- Avoid strangers. If an unknown adult approaches you, run away and immediately report the incident to a trusted adult.

Getting on and Off the Bus

- Wait for the bus to come to a complete stop before you get on or before you stand up to get off.
- If you drop something near the bus, do not pick it up as the driver may not see you. Instead, ask the driver for help.
- Be safe by holding the handrail while going up and down the stairs.
- Quickly but safely, find a seat and sit down.
- Be careful to wear clothing and carry backpacks that will not get caught on bus handrails and doors.

Riding the Bus

- Be respectful, follow all bus driver instructions and be courteous to the driver.
- Be safe by keeping the bus aisle clear and remaining in your seat while the bus is in motion. Keep hands, feet, and inappropriate comments to yourself to ensure an orderly environment.
- Be responsible by talking with friends quietly so the driver will not be distracted.
- Save food and drinks for when you exit the bus to prevent spills and accidents.
- Keep your personal belongings secure and with you at all times.

Leaving the Bus

- Be safe by remaining seated until the bus comes to a complete stop.
- Be responsible by removing all your belongings from the bus and cleaning up any trash in your seat. Keep your area in a neat and orderly manner.
- Be respectful by exiting the bus at your assigned stop once the bus has come to a complete stop and the driver has indicated it is safe to disembark.

Requesting Bus Change

Bus changes should be kept to a minimum and authorized in emergency or special circumstances. All requests for a student to ride a bus different from their regular bus must be in writing. A permanent bus change must be in writing and forwarded to the associate director of vehicle maintenance and transportation. If a student is going home with another student, parents of both students must send a note requesting the change. Generally, school buses operate at capacity; therefore, permission may be given for babysitting purposes but not necessarily for other activities (e.g., parties, visit to play).

Questions?

If you have any questions or you see behavior that causes you concern, you can contact the York County School Division Transportation office at 757-898-0344.
Parental Rights and Responsibilities

Parental involvement is the key to a successful educational experience.

The Code of Virginia §22.1-279.3 contains provisions addressing parental responsibility and involvement that are intended to promote proper student conduct. Through the enactment of this legislation, the General Assembly has asserted its position that parents do not relinquish their responsibility for disciplining or managing their children while they are attending public schools. Rather, parents/guardians must work in partnership with school administrators to maintain a safe and orderly school environment. To better serve families, the school division requests that parents/guardians notify school officials of violations of the law or criminal charges for their child that occur off school grounds, or disposition of those charges, and to provide updates to custody or protective orders on file with the schools.

Requirements of this section of the code are listed below:

1. Each parent/guardian has a duty to assist the school in enforcing the standards of student conduct and compulsory school attendance in order that education may be conducted in an atmosphere supportive of individual rights and free of disruption and threat to persons or property.

2. The school board will provide opportunities for parental and community involvement in each school.

3. Within one (1) calendar month of the opening of school, the school board must, simultaneously with any other materials customarily distributed at the time, send to the parents of each enrolled student:
   A. A notice of the requirements of the Code of Virginia §22.1-279.3;
   B. A copy of the school board’s standards of student conduct; and
   C. A notice to the parents/guardians that by signing the statement of receipt, parents/guardians shall not be deemed to waive, but to expressly reserve their rights protected by the constitutions or laws of the United States or the Commonwealth and that a parent/guardian shall have the rights to express disagreement with a school’s or school division’s policies or decisions.

4. Parents must sign and return a statement acknowledging receipt of the school board’s standards of student conduct and the notice of the requirements of the Code of Virginia §22.1-279.3 and the compulsory school attendance by law.

5. Each school must maintain records of the signed statements. The school principal may request that the student’s parents/guardians meet with the principal or designee to review the standards of student conduct and the parent’s/guardian’s responsibility to participate with the school in disciplining the student and maintaining order, and to discuss improving the student’s behavior and educational progress.

6. The school principal may notify the parent/guardian when a student violates a school board policy or the compulsory school attendance requirements when such violation could result in a suspension or the filing of a court petition, whether or not the suspension or the filing of a court petition, whether or not the school administration has imposed such disciplinary action or filed a petition. The notice shall state (i) the date and particulars of the violation; (ii) the parents’ obligation to take actions to assist the school in improving the student’s behavior and ensuring compulsory school attendance compliance; (iii) that, if the student is suspended, the parents/guardians may be required to accompany the student to meet with school officials; and (iv) that a petition with the juvenile and domestic relations court may be filed under certain circumstance to declare the student a child in need of supervision.

If parents/guardians fail to comply with these requirements, the school board may petition the juvenile and domestic relations court to proceed against the parents/guardians for willful and unreasonable refusal to participate in efforts to improve the student’s behavior.
Conduct Code Violations and Consequences

INTRODUCTION

School officials are authorized to suspend or recommend expulsion of students for sufficient cause. It should be understood that the list of offenses that follows includes only the most common infractions of school and bus rules. Note: Juveniles may be prosecuted as an adult for the commission of certain crimes. More information can be found at http://www.doe.virginia.gov/administrators/superintendents_memos/2012/057-12.shtml.
The York County School Division believes in a preventive approach to improper behavior.

Students, staff and parents are encouraged to share in the responsibility for a safe and orderly school environment. Information about drugs, weapons, bullying and cyberbullying behaviors or other factors which may be harmful to the school environment should be reported. Reports may be made to a teacher, to a school administrator or to other staff. Anonymous reports may also be made online in the Student Safety & Wellness section of the division website, yorkcountyschools.org, or by placing a call to the division’s Hotline at 757-890-5000. Students should also immediately contact an administrator, teacher or counselor if they have been the victim of discrimination, harassment, or other violations of the code of conduct. Any retaliation for the reporting of conduct code violations shall be addressed by appropriate disciplinary measures.

In accordance with School Board Policy File JFC, students are subject to corrective action for any misconduct that occurs in school or on school property; on a school vehicle; while participating in or attending any school-sponsored activity or trip; on the way to and from school; and off school property, when the Acts lead to: (1) notification pursuant to the Code of Virginia §16.1-305.1 or a conviction for an offense listed in the Code of Virginia § 16.1-260; (2) a charge that would be a felony if committed by an adult, or (3) disruption of the learning environment.

**Voluntary Surrender of Inappropriate Items**

If a student discovers something in his or her possession which is not permitted at school, that student should immediately report it to an administrator or other staff. Staff responsible for initiating follow-up action shall take into account that the student voluntarily brought the matter to the attention of the staff.

5. **Bullying and Cyberbullying**

Bullying is the systematic and chronic inflicting of physical hurt or psychological distress on another person. The Code of Virginia §22.1-276.01 defines bullying as any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. Bullying includes cyberbullying, the use of electronic means for purposes of bullying, harassment, and intimidation. Bullying does not include isolated incidents of ordinary teasing, horseplay, argument or peer conflict.

The York County School Division School Board adopts the definitions of bullying and cyberbullying as stated in the Code of Virginia and expounded upon it for further clarification to ensure an anti-bullying learning environment is maintained in all schools.

Bullying involves physical and emotional behaviors that are intentional, controlling and hurtful that create harassing, intimidating, hostile or otherwise offensive educational environments. Bullying is unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult that is severe or pervasive enough to create feelings of intimidation, alienation, or humiliation and/or unreasonably interferes with the school performance or participation of others.

Cyberbullying which occurs off school grounds and/or does not involve the use of the YCSD network or computers may result in disciplinary actions if it causes a substantial disruption to the operation of a school or the school division, if it threatens the safety and mental or physical well-being of students or staff, or if it threatens the safety of school buildings or school property.

7. **Disorderly Conduct/Insubordination**
Unwillingness to submit to authority or refusal to respond to a reasonable request is forbidden. Any act that intentionally disrupts the orderly conduct of a school function is also forbidden. Students are required to obey school rules and submit in a respectful manner to the authority and directions of teachers and other school personnel. No student may assist another student in the breaking of a school rule. The following behaviors that substantially disrupt the orderly learning environment are considered to be disorderly conduct.

a) Cursing or using offensive language, including remarks intended to demean a person’s race, religion, sex, national origin, disabling condition or intellectual ability. This includes actions or displays of an obscene nature, the wearing of clothing or adornments which themselves convey sexually suggestive messages, or any materials that are obscene or sexually suggestive. Cursing or violent abusive language that provides a breach of the peace is considered a Class 3 misdemeanor (Code of Virginia § 18.2-416).

b) Students shall not engage in conduct that is or is intended to be disruptive of any school activity, function or process of the school, is dangerous to the health or safety of students or others, or results in destruction of property. Noise, activity or possession of items including, but not limited to: toys, laser pointers, skateboards, radios, and unauthorized photographs and video records which disrupt the peaceful and normal operation of the school and/or which threaten the student’s own safety or the safety and activities of others is forbidden. Violations may be cited for actions in any part of the building, on school grounds, on the school bus or at other school activities.

c) To avoid disruption of the instructional process, students shall not display, use, or activate portable communication devices during the instructional day, during after-school activities or on the school bus. The instructional day is to include, but is not limited to, lunch breaks, class changes and other structured instructional activities that occur during the normal school day. Students must ensure that such devices are turned off and out of sight during the instructional day, during after-school activities and on the school bus. **Note: Certain instructional activities supported by portable communication devices or cell phones may occur during the school year. Use of such devices in opposition to the above-referenced instructions will be directly supervised by a teacher.**

d) Public Display of Affection (PDA) – Students may be disciplined for kissing, touching, hugging and other public displays of affection.

The promotion or display of the use of tobacco and/or other illegal substances on clothing, jewelry, pictures, buttons, bumper stickers or other items is also forbidden. Procedures for Dealing with Violations and Right of Appeal

Fair rules should not be unfairly enforced and must be enforced in accordance with existing laws and regulations.

Procedural Due Process

No student may be punished for alleged violation of the student code of conduct without due process. All students are entitled to an oral or written notice of the charges, an explanation of the evidence and an opportunity to present his/her side of the story.

Student Right to Due Process Before Issuance of Disciplinary Sanctions and Consequences

The principal, assistant principal, or designee shall meet with the student for the purpose of:

a) Presenting oral or written notice of the reported code of conduct infraction,

b) Giving an explanation of the evidence concerning the infraction report, and

c) Giving the student an opportunity to present his/her side of the story.

Issuance of Disciplinary Sanctions and Consequences

Upon completion of procedural due process and based on the nature of the violation, the principal, assistant principal, or designee may:

a) Issue a school-based intervention (peer mediation, community service, teacher-student conference, etc.).

b) Assign Alternative to Suspension (ATS): alternative setting for less than half of the instructional day.

c) Assign In-school Suspension (ISS): alternative setting for half or the entire instructional day.

d) Issue an Out-of-School Suspension (OSS): removal from school setting for one (1) to ten (10) instructional days.

Procedures for Out-of-School Suspension

When a student is suspended, the principal or designee will make multiple efforts to contact and inform the parent or guardian by phone or by email. Parents and guardians are asked to ensure that contact information is correct. In addition, within one (1) school day, the principal or designee will send a notice to the parent/guardian containing the following information:

a) A statement of the facts leading to the decision to suspend.

b) The date and time when the student will be allowed to return to school.

c) A statement of the parent’s or student’s right to have access to the student’s records.

Re-entry Meeting Following an Out-of-School Suspension

Following an out-of-school suspension, school officials will schedule a student re-entry meeting. In most cases, the meeting will include the student, school administrator, and school counselor. Parents/guardians may be required to attend the meeting if deemed appropriate by school-based staff. If requested by school officials, the parent/guardian is required to attend the re-entry conference regarding their behavior and/or conduct of concern.

Appeal Process for an Out-of-School Suspension

A review of a short-term suspension may be requested in writing of the principal within five (5) days of the incident. Appeals should specifically address the reason the parent(s)/guardian(s) disagree with the administrator’s disciplinary decision. For
example, the parent(s)/guardian(s) believe there was an issue with the investigation process, an improper violation was cited, or inappropriate disciplinary consequences were rendered. During the appeal process, the student will serve the disciplinary consequence(s). If the original disciplinary disposition is overturned or reduced, the student’s disciplinary record will be amended and any academic impacts will be corrected.

The decision of the principal may be appealed to the superintendent or his designee in writing within five (5) days of the principal’s decision. The decision of the superintendent or his designee is final.

A review of a long-term suspension may be requested of the superintendent or his designee in writing within five (5) days of the incident. Thereafter, the decision of the superintendent or his designee may be appealed further to the School Board in writing within five (5) days of receipt of the superintendent’s decision. The School Board has the ability to increase or decrease the consequence.

**Disposition Definitions**

Student Conference: The first line of discipline is with the classroom teacher. Formal and informal conferences are held between the student and teacher. If problems become more serious, the administrator will hold a conference with the student in an attempt to improve behavior. Many times the student’s counselor will also be included in the conference. Where appropriate, the student may be given a warning that a particular behavior is unacceptable and that repetition of such behavior could result in more severe consequences. Parents/guardians will not necessarily be contacted before administrators discuss an incident with students who are directly involved or who are witnesses.

Parent/Guardian Contact: The most effective person in dealing with student discipline problems is the parent/guardian. Teachers, counselors and administrators will contact parents/guardians by phone or letter in an effort to keep parents/guardians informed of student conduct.

School Conference with Parent/Guardian: Parents/guardians are encouraged to set up an appointment with any teacher, counselor or administrator to discuss their student’s progress or problems. In the case of a suspension, a parent/guardian may be asked to come to school to reinstate the student.

Confiscation: Any student’s property, which disrupts the learning environment, will be removed from that student’s possession.

Restitution: The replacement of or payment for property lost, damaged, destroyed or stolen will be required. The Code of Virginia §22.1-280.4 provides that the School Board may take action against a student or the student’s parent(s)/guardian(s) for any actual loss, breakage, destruction or failure to return property.

Detention (before school, lunch, after school, Saturday): Detaining a student for disciplinary reasons during non-instructional time. Detention requires a student to spend additional time at school or denies a student access to a class or activity. This is a method of discipline that may be employed by any teacher or administrator to keep a student beyond school hours in the hope of correcting inappropriate behavior. Parents/guardians must be notified, and detention generally should not exceed two (2) hours. Students may be assigned a detention on Saturdays for a maximum of four (4) hours.

Loss of Privilege to Ride a School Bus: This is a method of discipline, which may be employed by an administrator in the hope of correcting inappropriate behavior on the school bus. Parents must be notified when their child will not be permitted to ride the bus. If bus privileges are denied, parents are responsible for providing transportation to and from school.
Social Probation and Loss of Privilege to Participate in Academic Clubs or Athletics: This is a method of discipline employed by administrators as a consequence for inappropriate behavior and for Level II, III or IV violations of the conduct code. Length of exclusion from extracurricular activities, including academic clubs, graduation activities or athletic participation, may extend to the end of the academic year or longer.

Alternative to Suspension (ATS): ATS is a short-term removal from the classroom of less than one-half (1/2) school day that is not considered a suspension (ISS or OSS). During ATS, students will complete schoolwork in an isolated, supervised setting.

In-School Suspension (ISS): ISS is a short-term removal from the classroom of one-half (1/2) day or more. During ISS, students will attend school and complete schoolwork in an isolated, supervised setting. During this time, the student will be denied school privileges and participation in or attendance at school activities.

Short-Term Suspension of Students: A short-term suspension is any disciplinary action whereby a student is not permitted to attend school for a period not to exceed ten (10) days of school.

Students are responsible for the completion of their assignments and classwork during a short-term suspension. Students are allowed to make up all work and assignments, including, but not limited to, quizzes, research papers, essays, reports, projects, tests, and quarterly assessments for full credit.

Long-Term Suspension of Students: A long-term suspension is any disciplinary action whereby a student is not permitted to attend school for more than ten (10) school days but less than forty-six (46) calendar days. In accordance with state and federal regulations, students with disabilities who are suspended for greater than ten (10) days constitutes a change in placement and requires a manifestation determination review (MDR).

A student under any out-of-school suspension is not to enter onto any YCSD property or bus in York County nor is he/she to participate in or attend a school-sponsored activity in which a York County school is utilized. To do so is considered trespassing. This includes York County Parks and Recreation activities occurring on School Division property.

Long-Term Suspension for Aggravating Circumstances:

A long-term suspension may extend longer than forty-five (45) calendar days if a student’s conduct represents aggravating circumstances, as defined by the Virginia Department of Education. Aggravating circumstances includes: (1) A student engaged in misconduct which caused serious harm (including, but not limited to, physical, emotional and psychological harm) to another person(s) or posed a credible threat of serious harm to another person(s) as determined by a threat assessment; or (2) A student’s presence in the school poses an ongoing and unreasonable risk to the safety of the school, its students, staff or others in the school; or (3) A student engaged in a serious offense that is (a) persistent (repeated similar behaviors are documented on the student’s disciplinary record) and (b) unresponsive to targeted interventions as documented on the student’s disciplinary record. Long-term suspension of a student for more than forty-five (45) calendar days for aggravating circumstances can be applied by the division superintendent or the School Board.

Expulsion

An expulsion is any disciplinary action imposed by the School Board whereby a student is not permitted to attend school within the School Division and is ineligible for readmission for 365 calendar days after the date of the expulsion.

A student with a disability may be recommended for expulsion only after an IEP committee has determined through a MDR that the misconduct
was not caused by, or directly and substantially related to, the student’s disability.

**Expulsion of Students Under Certain Circumstances**

In compliance with the federal Improving America’s Schools Act of 1994 (Part F – Gun Free Schools Act of 1994) and the Code of Virginia § 22.1-277.07, the School Board shall expel from school attendance for a period of not less than one (1) year any student whom the School Board has determined, in accordance with the procedures set forth in this article, to have possessed a firearm on school property, or at school-sponsored activities as prohibited by § 18.2-308.1 of the Code of Virginia; to have possessed a firearm or destructive device as defined in subsection E of the Code of Virginia, a firearm muffler or firearm silencer, or a pneumatic gun as defined in subsection E of §15.2-915.4 of the Code of Virginia on school property, or at school-sponsored activities. A school administrator, pursuant to School Board policy, or the School Board may, however, determine, based on the facts of a particular situation that special circumstances exist and no disciplinary action or another disciplinary action is appropriate. The School Board may expel from school attendance for a period of not less than one (1) year any student whom the School Board has determined to have possessed a firearm in a vehicle on school property, or at school-sponsored activities in accordance with §18.2-308.1 of the Code of Virginia. Nothing in Virginia Code §22.1-277-08 shall be construed to require a student’s expulsion regardless of the facts of the particular situation.

**Discipline/Administrative Hearing**

As defined by the Virginia Department of Education, a discipline hearing is an opportunity for a review of facts known about an alleged incident. It is an opportunity to learn more about the incident and to address any information that the parent/guardian or student believes is inaccurate. Discipline hearings are the only administrative avenue for exercising due process rights. If parents/guardians fail to take part in hearings, they may waive their opportunity to be heard and to appeal decisions they may disagree with. Discipline hearings are required for certain violations of the student code of conduct or can be initiated if a school principal makes a recommendation for long-term suspension or expulsion.

The hearing officer may make a decision at the end of the hearing or wait to send the decision in a written format. Per the Code of Virginia, while the decision may be shared verbally, the hearing officer is required to send the final decision in writing.

A review of a 10-day or more suspension with a recommendation for long-term suspension, alternative placement, or possible expulsion may be conducted by the division superintendent or the hearing officer. During the hearing, an assessment of the facts will be completed regarding the recommendations made by the school’s administrators. Thereafter, any recommendation for expulsion shall be forwarded to the School Board in accordance with the policies contained herein.
APEAL PROCESS FOR LONG-TERM SUSPENSION ISSUED BY THE HEARING OFFICER

A review of a long-term suspension may be requested of the superintendent or his designee in writing with five (5) days of receipt of the hearing officer’s written decision. Thereafter, the decision of the superintendent or his designee may be appealed further to the School Board in writing within five (5) days of receipt of the superintendent’s decision. The School Board has the ability to increase or decrease the consequence.

RECOMMENDATIONS FOR POSSIBLE EXPULSIONS

All recommendations for expulsion require a formal hearing before members of the school board. Parents/guardians must receive written notice that a recommendation for expulsion has been made regarding a student. An administrative hearing will be held by the superintendent or his designee to further assess the recommendation made by the school principal prior to the recommendation for expulsion being forwarded to the School Board for formal action. A parent/guardian must receive written notice that the School Board will thereafter consider expulsion. This notice will include the date, time, place of the hearing and the specific charges. The student and his/her parent/guardian (or a legal representative) has the right to call witnesses, question school officials, and present information on behalf of the student.

LAW ENFORCEMENT AND STUDENT CONDUCT

Law enforcement officials will be permitted to question students while they are under the authority of the school. The following provisions will be met:

1. Parents or guardians will normally be notified of requests to interview students to allow parents to be present, unless otherwise requested by law enforcement.

2. If the interview occurs at school, a school administrator may be present at the request of the student, parent/guardian or law enforcement. In these situations, the school administrator will serve in a supportive but non-advisory role.

3. Information derived from questioning will be kept in strict confidence by school officials unless legal procedures will require otherwise.

4. Students are not to be released into the custody of others without establishing the fact that the person assuming custody is the parent, legal guardian, a person designated by same, or law enforcement official.

SEARCHES AND SEIZURES

Lockers and other storage facilities are the property of the school board and are lent to the student for his/her use during school hours. School officials have the authority to open and inspect any and all storage spaces.

School officials also have the right to search any student and/or a student’s personal effects (e.g., purse, book bag) when there is reasonable suspicion to believe that the student possesses an item which violates the law, school policies and regulations, or which may be harmful to the school or its students. Such searches will be conducted by the administration with another person present. In no event will strip-searches of students be conducted.

The school administration has the authority to conduct routine patrols of student parking lots. Automobile on school property are subject to search whenever a school administrator has reasonable suspicion to believe that illegal or unauthorized materials are contained in or on an automobile.

Random searches may be conducted on school property using metal detectors or dogs capable of detecting drugs, bombs and firearms. These searches may be conducted by school
administrators or by law enforcement officers in coordination with school administrators. Canines shall not be used to search students.

Weapons of any nature on school property or at school functions are prohibited by policy and state law. The school administration has the authority to use stationary or mobile metal detectors to ensure that weapons and other dangerous objects are not brought onto school property or to school-sponsored functions.

School authorities may seize any illegal, unauthorized or contraband items or materials discovered on school grounds. Illegal or contraband materials shall be turned over to the proper legal authorities for ultimate disposal.

School Board Policy GB

Equal Employment Opportunity/Nondiscrimination

Policy Statement

The York County School Board is an equal opportunity employer, committed to nondiscrimination in recruitment, selection, hiring, pay, promotion, retention, or other personnel actions affecting employees or candidates for employment. Therefore, discrimination in employment against any person on the basis of race, color, religion, natural origin, ancestry, political affiliation, sex, gender, age, marital status, genetic information or disability is prohibited. Personnel decisions shall be based on merit and the ability to perform the essential functions of the job, with or without reasonable accommodation. The York County School Board shall provide facilities, programs and activities that are accessible, usable and available to qualified disabled persons. Further, the York County School Board shall not discriminate against qualified disabled persons in the provision of health, welfare and other social services.

The statement, “York County School Board is an equal opportunity employer,” shall be placed on all employment application forms.

Notice of Policy/Prevention

This policy shall be: (1) posted in prominent areas of each school division building, (2) included in employee handbooks and (3) provided to any employee or candidate for employment upon request. Training to prevent prohibited discrimination should be included in employee in-service training.

Complaint Procedure

A. File Report

Any person who believes he has not received equal employment should report the alleged discrimination to one of the compliance officers designated in this policy. The alleged discrimination should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Any employee who has knowledge of conduct which may constitute prohibited discrimination shall immediately report such conduct to one of the compliance officers designated in this policy.

The reporting party should use the form, Report of Discrimination, GB-F, to make complaints of discrimination. However, oral reports and other written reports will also be accepted. The complaint must be filed with one of the compliance officers designated in this policy. Any complaint that involves the compliance officer shall be reported to the superintendent.

The complaint and the identity of the complainant and the person or persons allegedly responsible for the discrimination will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. A complainant who wishes to remain anonymous will be advised that anonymity may limit the
school division’s ability to full respond to the complaint.

B. Investigation

Upon receipts of a report of alleged discrimination, the compliance officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should be not later than fourteen (14) school days after receipt of the report by the compliance officer. Upon receiving the complaint, the compliance officer will acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the complainant and the superintendent. If the compliance officer determines that more than fourteen (14) school days be required to investigate the complaint, the complainant and the superintendent will be notified of the reason for the extended investigation and the date by which the investigation will be concluded.

The investigation may consist of personal interviews with the complainant, the person(s) alleged to have violated the policy and any others who may have knowledge of the alleged discrimination or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the complainant and the person(s) responsible for the alleged discrimination. The investigation may also include the inspection of any documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the investigation.

Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed by a complete and thorough investigation.

The compliance officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint alleges the superintendent has violated this policy, then the report shall be sent to the school board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged discrimination conducted under this policy or by an appropriate state or federal agency.

C. Action by Superintendent

Within five (5) school days of receiving the compliance officer’s report, the superintendent or designees shall issue a written decision regarding (1) whether this policy was violated and (2) what action, if any, should be taken. If the complaint alleges that the superintendent has violated this policy, the school board’s standing Equal Employment Opportunity/Nondiscriminatory committee shall make the decision and determine what action should be taken.

If the school board does not have such a standing committee, at its next scheduled meeting it shall appoint a committee consisting of three (3) of its members to handle the matter. The committee shall issue a written decision within fourteen (14) calendar days of the time the school board receives the compliance officer’s report or the time a committee is appointed, if there is no standing committee. The written decision shall state (1) whether this policy was violated and (2) what action, if any, should be taken.

The written decision must be mailed to or personally delivered to the complainant within five (5) calendar days of the issuance of the decision. If the superintendent or committee concludes that prohibited discrimination occurred, the York County
School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including dismissal.

D. Appeal

If the division superintendent or committee determines that no prohibited discrimination occurred, the person who was allegedly subjected to discrimination may appeal this finding to the school board within five (5) school days of receiving the decision. Notice of appeal must be filed with the superintendent, or with a member of the committee which issued the written decision, who shall forward the record to the school board. The school board shall make a decision within thirty (3) calendar days of receiving the record. The school board may ask for oral or written argument from the aggrieved party and the division superintendent, or the committee, whichever issued the written decision, and any other individual the school board deems relevant. Written notice of the school board’s decision will be given to the complainant.

Employees may choose to pursue their complaints arising under this policy through the relevant employee grievance procedure instead of the complaint procedure in this policy.

E. Compliance Officer and Alternate Compliance Officer

The York County School Board has designated the division’s chief human resources officer as the compliance officer responsible for identifying, investigating, preventing and remedying prohibited discrimination. Complaints of discrimination may also be made to the alternate compliance officer, the division’s chief operations officer.

The compliance officer shall:

- Receive reports or complaints of discrimination;
- Conduct or oversee the investigation of any alleged discrimination;
- Assess the training needs of the school division in connection with this policy; and
- Ensure that any discrimination investigation by an impartial investigator who is trained in the requirements of equal employment opportunity, and has the authority to protect the alleged victim, and others during the investigation.

Additional Prohibited

Behavior that is not unlawful or does not rise to the level of illegal harassment or retaliation may nevertheless be unacceptable for the educational environment or the workplace. The York County School Division expects its entire staff, including the division superintendent, the school board, teachers, other school board employees, employees of virtual school programs, school volunteers who work with or in its schools (“division personnel”) and other vendors providing services to the division and/or students, to set examples for students in terms of appropriate conduct and behavior. Students are best served by a school climate that is both welcoming and professional with very clear standards of conduct. All adults in the division share the responsibility in creating a safe learning and teaching environment that is free from adult misconduct including adult sexual misconduct.

The protection of students from such misconduct is a division priority and it is the obligation of all division personnel to observe boundaries governing interaction and communication with students. The division demonstrates its commitment to protecting students from sexual abuse and misconduct through:

- Strict compliance with all state laws and regulations related to reporting to the Virginia Department of Education of resignations and dismissals of licensed employees related to convictions of barrier crime and founded cases of abuse.

Adherence to division policy on student – division personnel interactions not only creates a safe and healthy environment for students, it also serves to protect division personnel from false accusations and accusations based on misunderstandings.

This policy expands upon, and is established in addition to, the division policy on the prevention of unlawful harassment.

The division superintendent shall take appropriate steps to implement and oversee this policy by promulgating and implementing regulations which address:

- Communication between division personnel and students;
• Physical contact between division personnel and students;
• Social interaction between division personnel and students;
• Training relating to and dissemination of this policy;
• Reporting of suspected misconduct or abuse; and
• Such other topics as may be necessary for the implementation of the provisions of this Policy.

III. COMPLAINT PROCEDURE

A. Formal Procedure
   1. File Report

   Any student or division personnel who believes he or she has been the victim of harassment based on sex, gender, race, color, national origin, disability, religion, ancestry, age, marital status, or genetic information or any other characteristic protected by law or based on a belief that such characteristic exists by a student, school personnel or a third party should report the alleged harassment to one of the compliance officers designated in this policy or to any school personnel. The alleged harassment should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Further, any student who has knowledge of conduct which may constitute prohibited harassment should report such conduct to one of the compliance officers designated in this policy or to any school personnel. Any school personnel who has notice that a student or other school personnel may have been a victim of prohibited harassment shall immediately report the alleged harassment to one of the compliance officers designated in this policy.

   The reporting party should use the form, Report of Harassment, GBA-F/JFHA-F, to make complaints of harassment. However, oral reports and other written reports shall also be accepted. The complaint should be filed with either the building principal or one of the compliance officers designated in this policy. The principal shall immediately forward any report of the alleged prohibited harassment to the compliance officer. Any complaint this involves the compliance officer or principal shall be reported to the superintendent.

   The complaint, and identity of the complainant and alleged harasser, will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. Additionally, a complainant who wishes to remain anonymous shall be advised that such confidentiality may limit the school division’s ability to fully respond to the complaint.

   2. Investigation

   Upon receipt of a report of alleged prohibited harassment, the compliance officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should by not later than fourteen (14) school days after receipt of the report by the compliance officer. Upon receiving the complaint, the compliance officer shall acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the person complaining of harassment and the person accused of harassment. Also upon receiving the complaint, the compliance officer shall determine whether interim measures should be taken pending the outcome of the investigation. Such interim measures may include, but are not limited to, separating the alleged harasser and the complainant and, in cases involving potential criminal conduct, determining whether law
enforcement officials should be notified. If the compliance officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the accused shall be notified of the reason for the extended investigation and of the date by which the investigation will be concluded. If the alleged harassment may also constitute child abuse, then it must be reported to the Department of Social Service in accordance with Policy JHG, Child Abuse and Neglect Reporting.

The investigation may consist of personal interviews with the complainant, the alleged harasser, and any other who may have knowledge of the alleged harassment or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the alleged harasser and the person allegedly harassed. The investigation may also consist of the inspection of any other documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the completion of the investigation.

In determining whether alleged conduct constitutes a violation of this policy, the division shall consider, at a minimum: (1) the surrounding circumstances; (2) the nature of the behavior; (3) past incidents or past or continuing patterns of behavior; (4) the relationship between the parties; (5) how often the conduct occurred; (6) the identity of the alleged perpetrator in relation to the alleged victim (i.e. whether the alleged perpetrator was in a position of power over the alleged victim); (7) the location of the alleged harassment; (8) the ages of the parties and (9) the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a case-by-case determination based on all of the facts and circumstances revealed after a complete and thorough investigation.

The compliance officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint involves the division superintendent, then the report shall be sent to the school board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged harassment conducted under this policy or by an appropriate state or federal agency.

3. Action by Superintendent

Within 5 school days of receiving the compliance officer’s report, the division superintendent or designee shall issue a decision regarding whether this policy was violated. This decision must be provided in writing to the complainant and the alleged perpetrator. If the superintendent or designee determines that it is more likely than not that prohibited harassment occurred, the York County School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including expulsion or discharge. Whether or not the superintendent or designee determines that prohibited harassment occurred, the superintendent or designee may determine that school-wide or division-wide training be conducted or that the complainant receives counseling.

4. Appeal

If the superintendent or designee determines that no prohibited harassment occurred, the employee or student who was allegedly subjected to harassment may appeal this finding to the school board within five (5) school days of receiving the decision. Notice of appeal must be filed with the superintendent who shall forward the record to the school board.
The school board shall make a decision within thirty (30) calendar days of receiving the record. The school board may ask for oral or written argument from the aggrieved party, the superintendent and any other individual the school board deems relevant. Written notice of the school board’s decision will be given to both the alleged harasser and the person allegedly harassed.

If the superintendent or designee determines that prohibited harassment occurred and discipline is imposed, the disciplined person may appeal the disciplinary sanction in the same manner as any other such sanction would be appealed.

Employees may choose to pursue their complaints under this policy through relevant employee grievance procedure instead of the complaint procedure in this policy.

**COMPLIANCE OFFICER**

The York County School Board has designated the division’s chief human resources officer as the compliance officer responsible for identifying, investigating, preventing and remedying prohibited harassment. Complaints of harassment may also be made to the alternate compliance officer, the division’s chief operations officer.

The compliance officer shall:
- Receive reports or complaints of harassment;
- Conduct or oversee the investigation of any alleged harassment;
- Assess the training needs of the school division in connection with this policy;
- Arrange necessary training to achieve compliance with this policy; and
- Ensure that any harassment investigation is conducted by an impartial investigator who is trained in the requirements of equal employment/education opportunity, and has the authority to protect the alleged victim and others during the investigation.

**B. Informal Procedure**

If the complainant and the person accused of harassment agree, the student’s principal or designee may arrange for them to resolve the complaint informally with the help of a counselor, teacher, or administrator.

If the complainant and the person accused of harassment agree to resolve the complaint informally, they shall each be informed that they have the right to abandon the informal procedure at any time in favor of the initiation of the formal procedures set forth herein. The principal or designee shall notify the complainant and the person accused of harassment in writing when the complaint has been resolved. The written notice shall state whether prohibited harassment occurred.

**IV. RETALIATION**

Retaliation against students or school personnel who report harassment or participate in any related proceedings is prohibited. The school division shall take appropriate action against students or school personnel who retaliate against any student or school personnel who reports alleged harassment or participates in related proceedings. The compliance officer will inform persons who make complaints, who are the subjects of complaints, and who participate in investigations, of how to report any subsequent problems.

**V. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURE**

Nothing in this policy shall deny the right of any individual to pursue other avenues of recourse to address concerns relating to prohibited harassment including initiating civil action, filing a complaint with outside agencies or seeking redress under state or federal law.
VI. PREVENTION AND NOTICE OF POLICY

Training to prevent harassment based on sex, gender, race, color, national origin, disability, religion, ancestry, age, marital status, and genetic information should be included in employee and student orientations as well as employee in-service training.

This policy shall be (1) displayed in prominent areas of each division building in a location accessible to students, parents and school personnel, (2) included in the student and employee handbooks; and (3) sent to parents of all students within thirty (30) calendar days of the start of school. Further, all students, and their parents/guardians, and employees shall be notified annually of the names and contact information of the compliance officers.

**Animal Dissection**

In compliance with state law, the York County School Division offers students alternatives to animal dissection in relevant course work if their parents choose to opt them out of the animal dissection portion of a particular course. Dissection is defined as “The manipulation of properly preserved animals or animal parts for scientific study, which includes incising and may be followed by inspecting, touching, handling, and mounting.”

Alternatives to animal dissection may include, but are not limited to: computer programs, internet simulations, plastic models, videotapes, digital videodiscs, and charts. Alternatives to animal dissection techniques are available in biological science classes that incorporate dissection exercises. Alternative to dissection techniques are designed to provide the student, through means other than dissection, with knowledge similar to that expected to be gained by other students in the course who perform, participate in, or observe the dissection.

Opt out forms are available from science teachers.

**Family Life Education**

The instructional program of the York County School Division includes a family life education curriculum in grades kindergarten through 12. Some of the current themes include child abuse, family and community relationships, human sexuality, human growth and development, human reproduction, sexually transmitted diseases, substance abuse, positive self-concept, communication skills, decision-making skills and peer relationships. A listing of family life education topics by grade level can be found in the parent resource section of the division website, yorkcountyschools.org. Parents/guardians are urged to attend orientation sessions that are held in schools each year prior to the beginning of family life education instruction. Printed/audio-visual materials, as well as the Family Life Education curriculum guide, are available for preview at your child’s school and the York County School Board Office.

Parent who wish to remove their children from selected lessons or all of the Family Life Education program for the current school year must do so by completing the Family Life Education Removal Request, Grades K-12. If the parent/guardian does not complete and return this form, the student will participate in the entire program at his/her current grade level.

During the school year requests by parents/guardians to change the extent of their child’s participation in Family Life Education must be provided in writing to the principal of the student’s school.

**Release of Information**

Under no circumstances will information concerning a student’s test data or other information of a personal nature be released without written consent of the parents, guardian or student (if 18 years of age or over). Discipline information will be released to other schools. Copies of the division’s written policy concerning the management of student scholastic records in the York County School Division may be obtained by contacting the principal’s office.

The division releases other information based on parent permission:

**DIRECTORY INFORMATION**

During the school year, the York County School Division, upon request, provides student directory information to appropriate organizations and publishes student information in yearbooks, extra-curricular and athletic programs, and on graduation lists and honor rolls.

Such directory information, as defined by the Code of Virginia, § 22.1-287.1 (amended 1983), may include the student’s name, sex, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and other similar information.

**MILITARY RECRUITERS**

The Every Student Succeeds Act requires school divisions to provide military recruiters with information about high school juniors and seniors. Parents pay opt to not...
provide this information by checking the applicable box in the Parental Acknowledgement/Release Form.

MEDIA/WEBSITES/DIVISION PUBLICATIONS

The local news media cover education in York County and are interested in stores involving students and staff in the division. The school division also highlights student and staff activities on the division’s cable channel (YCSD-TV), website (http://yorkcountyschools.org/) and in division publications and videos.

Examples of information that could be released to the media or presented on division outlets include: honor roll, graduating lists, curricular and extra-curricular student achievement, involvement in division programs, athletics or activities, special events, etc. While the division, within the scope of the media release form, allows members of the media to interview, photograph or videotape our students, the division does not allow news media access to students that would interrupt the instructional day or for interviews during a crisis or an emergency.

Additionally, the division’s website is created and monitored by division personnel with an emphasis on sharing success while keeping in mind student security issues.

Once a child enters the York County School Division, parents are asked to complete a media release form indicating their preference regarding the release of information to media and through division communications outlets.
