

# Please Don't Wait – Vaccinate!

## New School Immunizations Required

Effective July 1, 2021, the following immunizations are required for children attending school in Virginia:

### Hepatitis A (HAV) Vaccine | Pre-K & Kindergarten

Minimum of **2 doses** of Hepatitis A vaccine for **kindergarten** and **Pre-K** students only.

### Tetanus, Diphtheria, Pertussis (Tdap) Vaccine | Grade 7

A booster dose of Tdap vaccine is required for all students entering **grade 7**.

### Meningococcal Conjugate (MenACWY) Vaccine | Grade 7 & 12

**2 doses** are required, one before starting **grade 7** and another before starting **grade 12**.

### Human Papillomavirus (HPV) Vaccine | Grade 7

A complete series of **2 doses** of HPV vaccine is required for students entering the **7th grade**. The first dose shall be administered before the child enters the 7th grade. After reviewing educational materials approved by the Board of Health, the parent or guardian, at the parents or guardians sole discretion, may elect for the child not to receive the HPV vaccine.

Please consult the division website for a full list of required immunizations for students new to the York County School Division. If you have questions regarding required immunizations, please consult your pediatrician or school nurse.
