**Mathew Mangrobang**  
Grafton High School  
*Class of 2015*

## PROFILE

---

Mathew graduated from Grafton High School (GHS) in 2015. During his years at GHS, he completed rigorous coursework including Career and Technical Education. This coursework provided instruction on the essential workplace readiness skills needed to maintain competitive employment.

Mathew has worked at Yorktown Naval Weapons Station for more than four years. As a valued employee, he has received the distinguished “Employee of the Month” recognition multiple times. He also reported being recognized with the Five Star Accreditation of Quality and Excellence Award in 2019.

During the pandemic, Mathew’s job responsibilities changed, but he continued to provide services to the military personnel as an essential employee. Mathew is thankful for the support Versability Resources has provided in helping him to achieve his post secondary goals.

Mathew enjoys the socialization employment provides and noted he has learned to work well with others. He was interviewed about his role as an essential worker during the pandemic and explained that he will continue to do his job as always.
