

# INTEGRATED PRESCHOOL OUTREACH PROGRAM (IPOP)

## What is IPOP?

The York County School Division's (YCSd) IPOP is a language-based, preschool program offering a wide variety of enriching activities in a nurturing educational setting. IPOP is designed to serve children with and without disabilities in one preschool classroom. Children without disabilities serve as role models for children with developmental delays and other special needs. IPOP is a four-day program for preschool aged children without disabilities who reside in York County or who are children of YCSd employees. Children selected for the program may attend their zoned school or a school with availability for three hours, Monday-Friday. The curriculum places emphasis on kindergarten readiness and socialization skills. IPOP teachers are fully licensed and have expertise in teaching children with a wide range of readiness levels.

## How are children selected?

Children without disabilities are chosen to participate through an application process followed by a potential screening/playdate. Applications and information are available on the YCSd website or at your zoned elementary school location.\*

Your child must be:

- three or four years old by September 30
- a resident of York County
- toilet trained
- demonstrate social behavior from which other preschoolers will learn

**Acceptance will be based on space available in our preschool program starting in August.**

## What are the costs?

For the 2020-21 school year, a \$1,400 fee for materials, supplies, and tuition is required for students selected for the program. Fees are payable to your child's school:

- \$100 non-refundable deposit due at the time of acceptance to IPOP
- four equal installments of \$325

*Please note: The IPOP program requires parents to provide transportation to and from school.*
