What is IPOP?
The York County School Division’s (YCS) IPOP is a language-based, preschool program offering a wide variety of educational experiences in a nurturing educational setting. IPOP is designed to serve children with and without disabilities in one preschool classroom. IPOP is a five-day program for preschool aged children without disabilities who reside in York County or who are children of YCSD employees. Children selected for the program attend their zoned IPOP school for three-hours, Monday-Friday. The curriculum focuses on preparing children for success in kindergarten. IPOP teachers are fully licensed and have expertise in teaching children with a wide range of readiness levels.

How are children selected?
Children without disabilities are chosen to participate through an application process followed by a screening/play date. Applications and information are available on the division website.
To be selected for the playdate, your child must be
- three years old by September 30
- a resident of York County or a child of a YCSD employee
- toilet trained
- demonstrate appropriate social behavior

What are the costs?
A $1,400 fee for materials, supplies, and tuition is required for students selected for the program. Fees are payable to your child’s school:
- $100 non-refundable deposit due at the time of acceptance to IPOP that will be applied towards tuition
- Four equal installments of $325
- Returning students must complete a letter of intent with a $100 deposit that will be applied towards IPOP tuition

Parents are required to provide transportation to and from school.

Applications and information are available at your zoned elementary school location or online at: yorkcountyschools.org/parents/special_education/services.aspx
