

Middle School Arts Magnet

Literary Arts / Theatre Arts / Rhythmic Arts

The Program

The Middle School Arts Magnet for students in grade 6-8 provides enrichment and instruction in literary, theatre, and dance arts. Learning experiences encourage students to work independently and collaboratively to develop critical thinking and problem-solving skills, and enhance self-esteem. Excellence in the arts is a natural extension of the middle school academic program.

Students take three 60-minute classes (Literary Arts, Theatre Arts, and Dance Arts) at the York County School of the Arts (SOA) facility at Bruton High School (BHS). These students also take four classes (history, math, science, and an elective/foreign language) at Queens Lake Middle School (QLMS). Students participating in the Middle School Arts Magnet begin their day at Queens Lake Middle School with their first block class and then travel to SOA at BHS for Literary Arts (every day), Theatre Arts and Dance Arts (alternating days). Following the Magnet classes, students return to the middle school for lunch and the final class of the day.

Eligibility

Students interested in participating in the Middle School Arts Magnet are expected to have good school attendance and citizenship. Additionally, students must:

The remaining slots may be applied for by other YCSD middle students and York County residents who are currently enrolled in private schools. *Non-county residents may attend on a tuition-basis and must apply through the non-resident application process.

Additional Information
