Every three years the divisions must conduct an assessment of the Local School Wellness Policy and make it available to the public. That assessment must address:

- compliance with the division Local School Wellness Policy,
- how the policy compares to the model Wellness Policy, and
- progress made in attaining the goals of the Wellness Policy.

How does your policy compare to the model policy?

Wellness Policy requirements are fully in place at this time.

Note progress made towards wellness goals:

Wellness targets have been met. Division goals will now focus on expanding nutrition education offerings as well as opportunities to further integrate physical activities into as many learning experiences as possible.
