Guidelines for Grant Application

Purpose

The purpose of the Student Resource Development Grants (SRD) for National and International Competitions is to encourage and support student participation in national competitions or conferences (academic, science, leadership, or vocational). Other special student programs and/or YCSD sponsored activities may also apply for the grant; eligibility will be determined by the SRD Grant Committee. Students winning grants will give a summary of the competitive activities or conferences to the Foundation and other associated groups upon their return from competition. There are numerous clubs/classes (i.e. Forensics, Science Fair, Future Business Leaders of America, Odyssey of the Mind, DECA, SCA, etc.) that are eligible.
